Dear Misty,

I just wanted to forward this to you, to save Chair Decker a step. :) Laura actually lives in Ward 1, but used to live in Ward 7 -- and the early morning trash/recycling pick-up has been a problem for her in both locations.

Thanks!

Sincerely, Abby

Dear Alderman Decker,

I hope this message finds you and yours keeping well. I'm attaching a letter in support of Ordinance OR-2020-0024, in advance of your Legislation Committee meeting this week, which I regret I cannot attend in person. I appreciate your consideration of my letter and thank you for your attention to this matter affecting the quality of life of Downtown New Haven residents.

Many thanks,

Laura Gardner
