Why are you interested in serving on a board or commission?

As a parent Leader I am focused on becoming an essential point in my community. growing up in a under represented community i witnessed and continue to witness a disadvantage when it comes to people getting the basic help they need. I am a driven passionate young parent who wont stop at nothing until Im part of a group of people that strives to create change. my lived experiences are proof of my resiliency and serving on a board or commission would only be the beginning.

Why do you believe you would be a good fit for your selected board and commission(s)?

I know that i would be a great fit to my selected board and commissions. I come with an open mind and know that I have what it takes to put the work into what needs to be accomplished, i have the empathy and compassion to put myself in the shoes and positions that other individuals have been in, and my lived experiences could relate to the population that I would serve.

Do you have any time commitments that would prevent you from participating in board/commission meetings? Meeting times can be found by visiting newhavenct.gov/boards, but most are usually once a month for 1-2 hours.
