Are you currently employed by the City of New Haven or the New Haven Public School System?

Yes No

Why are you interested in serving on a Board or Commission?

I would like to continue to serve on the Peace Commission because I want to contribute to the promotion of peace in the city and the rest of the world. I want to do my part in ensuring that people in New Haven have the possibility of a life without violence of all forms. I am also committed to ending wars in the world and the eliminating the threat of nuclear attacks.

Why do you believe you would be a good fit for your selected Board and Commissions?

I have been serving as chair for this year and served on the Commission for part the previous year. I was able to meet the founder Al Marder and want to continue to honor his legacy along with my fellow members. I have collaborated with my fellow commissioners on multiple projects and have treated them with respect and recognized their voices,

Do you have any time commitments that would prevent you from participating in the board/commission meetings?
