**Why are you interested in serving on a board or commission?**

---

I am interested in being reappointed to the commission to continue working on the projects we have been working on throughout the past two years. I would like to continue connecting the city's commission with its international partners/alliances.

**Why do you believe you would be a good fit for your selected board and commission(s)?**

---

I believe I have been a good fit for the past two years during my first term on the commission through my connection with youth and other organizations around the state. It has proven to be useful in organizing events and establishing partnerships between the commission and other organizations. I have also recently taken on the task of re-establishing the international connections the city once had through the commission's international alliances.
