Dear President Walker-Myers:

In accordance with the recently passed amendment adding Sec. 27-154A to Title III, Chapter 27 of the New Haven Code of Ordinances, please find the recommendations related to the improvements to the Unaccepted Street of Kenter Place. The processes were initiated by the Alder and residents in anticipation of the ordinance and the sufficient petition has been received.

The improvements have been evaluated by the City Engineering, Director of Public Works and have been reviewed and recommended by the administrative committee established for the review of paving resources.

I am happy to answer any questions that may arise and can be reached at rbombero@newhavenct.gov or 203-946-7903.

Sincerely,

Rebecca Bombero
Deputy Chief Administrative Officer
