

Date of Revision: 4 November 2024
Name: Gregg S. Gonsalves, Ph.D.
Term: July 1, 2021 – June 30, 2026
School: Yale University School of Public Health and the Graduate School

Education:

B.S. (with distinction) Yale College (Biology) 2011
M.Phil. Yale School of Public Health 2015
Ph.D. Yale School of Public Health 2017

Career/Academic Appointments:

2025 Visiting Associate Professor, Department of Global Health and Social Medicine, Harvard Medical School, Boston, MA (sabbatical-spring)
2024 Visiting Associate Professor, Department of Health Policy, Stanford University School of Medicine, Palo Alto, CA (sabbatical-fall)
2022-2021- Affiliated Faculty, Yale Jackson School of Global Affairs, New Haven, CT
Associate Professor, Department of the Epidemiology of Microbial Diseases, Yale School of Public Health, New Haven, CT (current primary appointment)
2021- Affiliated Faculty, The Arthur Liman Center for Public Interest Law at Yale Law School, New Haven, CT
2018- Affiliated Faculty, Yale Program in Addiction Medicine, Yale School of Medicine, New Haven, CT
2017- Affiliated Faculty, Public Health Modeling Concentration, Yale School of Public Health New Haven, CT
2017-2021 Assistant Professor, Department of the Epidemiology of Microbial Diseases, Yale School of Public Health, New Haven, CT
2017- *Associate Professor (Adjunct) of Law, Yale Law School, New Haven, CT (current secondary appointment)*
2017- Affiliated Faculty, Women's, Gender, & Sexuality Studies, Yale University, New Haven, CT
2017-2021 Affiliated Faculty, Jackson Institute for Global Affairs, Yale University, New Haven, CT
2012-2017 Research Scholar in Law, Yale Law School, New Haven, CT
2012-2017 Lecturer in Law, Yale Law School, New Haven, CT
2011-2012 Post-Graduate Research Fellow, Department of the Epidemiology of Microbial Diseases, Yale School of Public Health, New Haven, CT
2011-2012 Research Scholar, University of Cape Town, Centre for Social Science Research, Cape Town, South Africa
2011-2012 Fellow, Harvard Medical School, Department of Global Health and Social Medicine, Boston, MA
2010 Summer Research Associate, l'unité Régulation des infections rétrovirales, Institut Pasteur, Paris, France

Administrative Positions:

2022- Member, Advisory Board, Yale Journalism Initiative

Gregg S. Gonsalves, Ph.D.

- 2012- Co-Director, Global Health Justice Partnership, Yale Law School and Yale School of Public Health, New Haven, CT
- 2017-2020 Co-Faculty Director, Global Health Studies, Yale College, New Haven, CT
- 2016-2019 Co-Director, Collaboration for Research Integrity and Transparency, Yale Law School Yale School of Public Health and Yale Medical School, New Haven, CT
- 2006-2008 Coordinator, AIDS and Rights Alliance for Southern Africa, Cape Town, South Africa
- 2000-2006 Director of Treatment and Prevention Advocacy, Public Policy Department, Gay Men’s Health Crisis, New York, NY
- 1991-2000 Co-Founder and Policy Director, Treatment Action Group, New York, NY

Professional Honors & Recognition:

International/National/Regional

- 2024: Research Impact Award, Yale School of Public Health (with David Paltiel)
- 2023: Syracuse University S.I. Newhouse School of Public Communications, 2023 Mirror Awards Finalist
- 2018: MacArthur Fellow, MacArthur Foundation
- 2014: Honorable Mention: Albert and Mary Lasker Foundation Essay Contest
- 2011: William R. Belknap Prize for Excellence in Biology (the highest honor bestowed on undergraduates in the department and awarded to one student each year), Yale College
- 2011: Open Society Foundations Fellowship
- 2010: Alan S. Tetelman 1958 Fellowship for International Research in the Sciences, Yale College
- 2008: John M. Lloyd Foundation Leadership Award
- 2001: Treatment Action Group Research in Action Award

Grant History:

Current Grants

Agency: National Institute on Drug Abuse
I.D.# R01DA060716-01
Title: “Predict, Detect, Diagnose: Confronting Outbreaks of HIV and Other Infectious Diseases Among People Who Use Drugs”
P.I.: Gregg Gonsalves, corresponding MPI; Joshua Warren (Yale), MPI
Percent effort: 45%
Direct costs per year: \$436,576
Total costs for project period: \$3,445,408
Project period: 09/01/2024 – 5/31/2029

Agency: National Institute on Drug Abuse
I.D.# R37DA15612-21
Title: “Making Better Decisions: Policy Modeling for AIDS & Drug Abuse”
P.I.: Douglas Owens, Stanford; Yale Subaward PI: David Paltiel
Percent effort: 16%
Direct costs per year: \$60,141 (Yale Subaward Only; Current Year Direct)
Total costs for project period: \$3,942,000
Project period: 09/25/2002 – 1/31/2029

Agency: National Institute of Nursing Research

I.D.# 1R01NR021461-01
Title: “Examining Non-Congregate Shelter Effects on Mental Health Crises through Community Health Partnerships in Connecticut”
P.I.: Ambrose Wong (Yale)
Percent effort: 3%
Direct costs per year: \$ 500,000
Total costs for project period: \$4,148,007.00
Project period: 09/01/2024 - 08/31/2029

Past Grants

Agency: National Institute on Drug Abuse
I.D.# DP2DA49282-01
Title: *Avenir Award Program for Research on Substance Abuse and HIV/AIDS*
“Novel Adaptive Approaches to Predicting and Responding to Outbreaks of Overdose, HIV and HCV Among People Who Use Drugs”
P.I.: Gregg S. Gonsalves
Percent effort: 55%
Direct costs for project period: \$1,500,000
Total costs for project period: \$2,512,500
Project period: 07/01/2019-05/31/2024

Agency: MacArthur Foundation
I.D.# N/A
Title: MacArthur Fellowship
P.I.: Gregg S. Gonsalves
Percent effort: N/A (for personal use)
Direct costs for project period: \$625,000
Project period: 1/1/2019-12/31/2023

Agency: National Institute of Allergy and Infectious Diseases
I.D.# 5R01AI042006-22
Title: “Cost-Effectiveness of Preventing HIV Complications” (CEPAC-US)
P.I.: Kenneth Freedberg, Massachusetts General Hospital; Yale Subaward PI: David Paltiel
Percent effort: 20%
Direct costs per year: \$28,198 (Yale Subaward Only; Current Year Direct)
Project Period: 04/01/1998 – 07/31/2021 (No Cost Extension)

Agency: National Institute of Mental Health
I.D.# 5R01MH105203-04
Title: “Novel Approaches to the Design and Evaluation of Combination HIV Prevention”
P.I.: David Paltiel
Percent effort: 5%
Direct costs per year: \$564,682
Total costs for project period: \$3,309,826
Project period: 06/25/2014 – 02/28/2020

Agency: Laura and John Arnold Foundation

I.D.# Research Integrity Initiative Grant
Title: “Yale Collaboration for Research Integrity and Transparency”
P.I.: Gregg S. Gonsalves (co-P.I. with Amy Kapczynski, J.D. and Joseph Ross, M.D.)
Percent effort: 5%
Direct costs per year: \$841,619
Total costs for project period: \$3,023,059
Project period: 07/01/2016 – 07/1/2019

Agency: Levi-Strauss Foundation
I.D. # R13002
Title: “Yale Global Health Justice Partnership Summer Fellowship Program
P.I.: Alice Miller, JD
Percent effort: 1.54%
Direct costs per year: \$50,000
Total costs for project period: \$100,000
Project Period: 05/1/2015-4/30/2017

Agency: Public Health Services and Systems Research (PHSSR)/University of Kentucky Research Foundation
I.D.# Fellowship
Title: “PHSSR Pre-doctoral Scholar in Public Health Delivery”
P.I.: Gregg S. Gonsalves
Percent effort: 100%
Total costs for project period: \$24,472
Project period: 10/1/2014 – 9/1/2015

Agency: Open Society Foundations
I.D.# Fellowship
Title: “Open Society Fellowship”
P.I.: Gregg S. Gonsalves
Percent effort: 100%
Total costs for project period: \$150,000
Project period: 07/1/2011 – 07/1/2012

Agency: John M. Lloyd Foundation
I.D.# Fellowship
Title: “AIDS Leadership Award”
P.I.: Gregg S. Gonsalves
Percent effort: 100%
Total costs for project period: \$100,000
Project period: 09/1/2008 – 09/1/2009

Other Grant History (*aggregate figures for programs that I managed and grant funding when working for non-governmental organizations outside of academia*):

Agency: The Joint United Nations Programme on AIDS; Public Welfare Foundation; John M. Lloyd Foundation; Swedish International Development Agency; UK Department for International Development; Royal Dutch Netherlands Embassy; IrishAID; HIVOS Foundation; Stephen Lewis Foundation

I.D. # Program Budget
Title: “AIDS and Rights Alliance for Southern Africa Treatment Literacy and Advocacy Program”
P.I.: Gregg S. Gonsalves
Percent effort: 100%
Total costs for project period: \$1,150,000
Project period: 06/1/2006 – 06/1/2008

Agency: Bill and Melinda Gates Foundation; Doris Duke Charitable Trust; Sainsbury Family Trusts/Monument Trust

I.D. # Program Budget
Title: “The CD4 Initiative at Imperial College (UK)”
P.I. Gregg S. Gonsalves (founder/board chair) Hans-Georg Batz, Ph.D. (project director)
Percent effort: 25%
Total costs for project period: \$9,000,000
Project period: 06/1/2005 – 03/1/2010

Agency: John M. Lloyd Foundation; Overbrook Foundation; New York Community Trust; Rockefeller Foundation; Bill and Melinda Gates Foundation; Open Society Foundations; Bristol-Myers Squibb; Boehringer-Ingelheim; Merck; Broadway Cares--Equity Fights AIDS; National Institutes of Health; American Foundation for AIDS Research; Doris Duke Charitable Foundation

I.D. # Program Budget
Title: “Gay Men’s Health Crisis Treatment and Prevention Advocacy Program”
P.I. Gregg S. Gonsalves
Percent effort: 100%
Total costs for project period: \$1,150,000
Project Period: 6/1/2000-6/1/2006

Agency: John M. Lloyd Foundation; Overbrook Foundation; New York Community Trust; Aaron Diamond Foundation; Royal S. Marks Foundation, Michael Palm Foundation, American Foundation for AIDS Research

I.D. # Program Budget
Title: “Treatment Action Group Program Budget”
P.I. Gregg S. Gonsalves (co P.I. with Mark Harrington)
Percent effort: 100%
Total costs for project period: \$3,120,000
Project Period: 1/1/1993-6/1/2000

Invited Speaking Engagements, Presentations, Symposia & Workshops:

International/National

2024 Demanding Health Justice: Pushing for Accountability in Science, Medicine, and Health, Science, Technology and Society Hub and Health Equity Institute, San Francisco State University

HIV Outbreak & Response in Scott County, Indiana: A Case Study in Public Health Decision Making, Epidemiology Research Seminar, Department of Epidemiology and Population Health, Stanford School of Medicine

Gregg S. Gonsalves, Ph.D.

Stanford Population Health Summer Research Program, Advancing Health Equity and Diversity (AHEaD)

New York City Department of Health and Mental Hygiene Commissioner's Grand Rounds

Reimagining Financing and Governance for Global Health, Partnerships in Action, 2024 Global Health Symposium, Harvard Global Health Institute

How Should the FDA Work with Patient Groups? STAT Breakthrough Summit East 2024

Contending with Criticism, Changing One's Mind, and Leading Change, A Conversation with Anthony Fauci, Gregg Gonsalves and Tim Evans, Tuck School of Business at Dartmouth

Responding to Epidemics and Crises in Health Fellowship Meeting, Columbia Mailman School of Public Health and New York Presbyterian Hospitals

Balancing Access and Evidence Generation, 2024 Biannual Compassionate Use and Preapproval Access (CUPA) Conference, New York University Grossman School of Medicine

Care in Public or Freedom Now: Toward a Politics of Care (with Amy Kapczynski, Yale Law School), The Social Science of Caregiving, Center for Advanced Study in the Behavioral Sciences, Stanford University

2023 UCLA School of Law, The Future of Human Rights and Justice-Centered Ethics in Epidemic Response: From HIV to Covid and Beyond, "Community-Led Responses to Epidemics" (panel discussion)

New York University Grossman School of Medicine, Center for Opioid Epidemiology & Policy Seminar, "Predict, Detect, Diagnose: Confronting Outbreaks of HIV and Other Infectious Diseases Among People Who Use Drugs"

MacArthur Fellows Forum, HIV Outbreak & Response in Scott County, Indiana: A Case Study in Public Health Decision Making

Emory Center for AIDS Research Melanie Thompson Lecture: HIV Outbreak & Response in Scott County, Indiana: A Case Study in Public Health Decision Making

Academy Health Annual Research Meeting (ARM), Opening Plenary Panel on "New Perspectives on Health Equity"

Interdisciplinary Association for Population Health Science (IAPHS) Research to Action Seminar on "Communicating Controversial Science" (panel discussion)

Hughes Hall, University of Cambridge, Successes in Global Health Action and Justice: Insights from Tackling HIV/AIDS and Neglected Diseases

Center for Health Decision Science, Harvard T.H. Chan School of Public Health, "An Adaptive Approach to Active Surveillance for Infectious Diseases (HIV and SARSCoV2)"

2022 Center for Integration Science, Harvard Medical School, Partners in Health, Brigham and Women's Hospital, "Center for Integration Science in Global Health Equity Inaugural Symposium" (panel discussion)

MacArthur Foundation, the Yale Urban Media Project of the Yale School of Architecture and the Yale University Art Gallery, "The Pandemic Diary" (panel discussion)

Drexel Dornsife School of Public Health, Population Health Spotlight Series—Public Health at a Crossroads, "Outbreaks Among People Who Use Drugs and the Failure of Political Will in the United States"

UC San Diego HIV and Global Health Rounds, "An Adaptive Approach to Active Surveillance for Infectious Diseases (HIV and SARSCoV2)"

Duke Global Health Institute, Think Global Seminar Series, "Monkeypox: Another Preventable Pandemic?"

The Center for the Evaluation of Value and Risk in Health, Health Policy Seminar, Tufts Medical Center, "An Adaptive Approach to Active Surveillance for Infectious Diseases (HIV and SARSCoV2)"

National Institute on Drug Abuse, Symposium on the Avenir Award Program for Research on Substance Use Disorders and HIV/AIDS, "An Adaptive Approach to Active Surveillance for Infectious Diseases (HIV and SARSCoV2)"

International AIDS Society, International AIDS Conference, "Health Equity for All" (plenary)

International AIDS Society, International AIDS Conference, "Learning from pandemics: From COVID-19 and HIV to future pandemics" (symposium)

Program on Regulation, Therapeutics, And Law (PORTAL), Division of Pharmacoepidemiology and Pharmacoeconomics of Harvard Medical School and Brigham & Women's Hospital, "And You May Ask Yourself, How Did We Get Here? AIDS Activism and the Quest for Access and Answers on New Drugs"

Academic Emergency Medicine Peer Review Training Workshop, Society for Academic Emergency Medicine Annual Meeting, "Addressing Social Exposures in Research: Methodological Issues"

University of Colorado School of Medicine, Division of General Internal Medicine, "An Adaptive Approach to Active Surveillance for HIV (and SARSCoV2)"

Oregon Health Sciences University, MD/PhD Program Retreat Plenary, "Dynamics of the HIV Outbreak and Response in Scott County, Indiana, 2011–2015"

New York University School of Global Public Health, Department of Social and Behavioral Sciences, Scholar Seminar Series, "Healthcare Utilization Before and After the Trump 'Muslim Ban'"

Gregg S. Gonsalves, Ph.D.

New York University Grossman School of Medicine, Division of Medical Ethics, “Balancing Access and Evidence in The Past and Present”

Society of Fellows and Heyman Center for the Humanities, Columbia University, “Why Zip Codes? A Virtual Roundtable”

Society for Epidemiological Research, Mid-Year Meeting, “The Intersection of Public Policy and Health Equity”

Consortium of Universities for Global Health, 13th Annual Global Health Conference Plenary Session: “Where Do Human Rights Fit in the Current Global Health Agenda?”

Perelman School of Medicine at the University of Pennsylvania, Department of Medical Ethics and Health Policy, “And You May Ask Yourself, How Did We Get Here? AIDS Activism and the Quest for Access and Answers on New Drugs”

2021 Columbia Mailman School of Public Health, Department of Epidemiology Grand Rounds, Alan Berkman Memorial Lecture

MacArthur Foundation Town Hall (virtual global), “The Future of the COVID-19 Pandemic”

All-Party Parliamentary Group on Coronavirus (UK Parliament), “Global Access to COVID-19 Vaccines”

Society for Epidemiological Research 2021 Annual Meeting (virtual), “Building a Movement Accountable Research Process: How can epidemiologists partner with activists to produce actionable research?”

University of St. Thomas Law Journal and the Murphy Institute (virtual), “Preparing for the Next Pandemic: Learning from the Past and the Present”

Opening Plenary, Martin Delaney Memorial Lecture, Conference on Retroviruses and Opportunistic Infections

2020 Department of Biomedical Informatics, The Ohio State University (virtual), “An Adaptive Approach to Active Surveillance for HIV (and SARSCoV2)”

24th Annual and First Virtual National Centers for AIDS Research Meeting, “An Adaptive Approach to Active Surveillance for HIV (and SARSCoV2)”

New York University Urban Research Seminar (virtual), “The New Politics of Care”

MacArthur Foundation Town Hall (virtual global), “Advancing Equitable and Rights-Respecting COVID-19 Contact Tracing”

Global Research Collaboration for Infectious Disease Preparedness, COVID-19 Research Synergies Meetings (virtual global), “Preparing for a second wave: understanding transmission and how to stop COVID-19”

Gregg S. Gonsalves, Ph.D.

Department of Public Health Sciences, University of Chicago, Chicago, IL, “An Adaptive Approach to Locating Mobile HIV Testing Services”

International Conference on Health Policy Statistics, San Diego, CA, “Using Risk Maps to Pre-Deploy Services for Overdose, HIV and Hepatitis C Among People Who Inject Drugs”

Division of Medical Ethics Working Group on Compassionate Use & Preapproval Access, New York University Langone Medical Center, New York, NY, "Non-Trial Preapproval Access to Investigational Medical Products: Lessons Learned and Practical Advice Moving Forward"

2019 New England AIDS Education and Training Center, Boston, MA, “Applying 35 Years of HIV Work to the Substance Use Epidemic”

HIV Center for Clinical and Behavioral Studies at the New York State Psychiatric Institute and Columbia University, New York, NY, “Causal Inference and Structural Interventions for HIV Prevention” as part of symposium on “Staying at Zero: The Role of Social Science in Ending the HIV Epidemic”

Northeastern University School of Law, Boston, MA, “Annual Lecture in Health Policy and Law”

Kaiser Permanente School of Medicine, Pasadena, CA, “We Will Be Citizens: From AIDS Activism to Mobilizing for Global Health Justice”

Providence/Boston Center for AIDS Research Annual Research Forum, Brown University, Providence RI, “Closing Plenary: We Will Be Citizens: From AIDS Activism to Mobilizing for Global Health Justice”

Decolonizing Global Health Conference, Harvard School of Public Health, Boston, MA, “Closing Plenary - Solidarity-oriented approaches: subverting the status quo of global health”

Special Lecture Series on Global Public Health, “We Will Be Citizens: From AIDS Activism to Mobilizing for Global Health Justice,” University of South Alabama, Mobile, AL

2018 Johns Hopkins Bloomberg School of Public Health, Baltimore, MD, Panel Presentation and Discussion, “30th Anniversary of Seize Control of the FDA: Protest, Crisis, and Public Health”

2016 Department of Health Policy, Management, and Behavior, University at Albany, School of Public Health, Albany, NY, “Sanitation and Sexual Violence in an Urban Township in Cape Town, South Africa: A Modeling Study”

Academy Health Annual Research Meeting, Boston, MA, Panel Presentation and Discussion, “Entrepreneurship in Bridging Evidence, Policy and Practice: A Conversation”

European Public Health Alliance, Brussels, Belgium, The push towards accelerated market approvals: What does it mean for drug development, patient safety and access to medicines in Europe?, Panel Presentation and Discussion, “Our agenda - What kind of market access system do we want in Europe?”

Gregg S. Gonsalves, Ph.D.

Northeastern University School of Law, Boston, MA, Individual Choice v. Collective Destiny: the Future of Public Health, Panel Presentation and Discussion, "We Will Be Citizens: On Global Health Justice"

2015 Food and Drug Administration (FDA), National Institute of Allergy and Infectious Diseases (NIAID), Assistant Secretary for Preparedness and Response and the Centers for Disease Control and Prevention, Bethesda, MD, Clinical Trial Designs for Emerging Infectious Diseases, Panel Presentation and Discussion, "The Challenges of Developing New Treatments for Life-Threatening Diseases: From HIV-AIDS to EVD"

National Physicians Alliance, Washington, DC, Truth to Power: Alliance for the Public Good, Panel Presentation and Discussion, "Incentivizing Innovation: How Do We Ensure Safe, Effective Drugs and Devices?"

Keeneland Public Health Services and Systems Research Conference, Lexington, KY, Poster Presentation, "Go With the Flow: Understanding the Temporal Dynamics of the HIV Continuum of Care or the HIV Treatment Cascade"

2008 The XVII International AIDS Conference, Mexico City, Mexico, Plenary Session, "Scaling Up Antiretroviral Therapy and the Struggle for Comprehensive Primary Care"

2007 The 18th International Conference on the Reduction of Drug Related Harm, Warsaw, Poland, Plenary Session, "A Report from the Ghost of Christmas Past"

2006 The XVI International AIDS Conference, Toronto, Canada, Plenary Session, "25 years of AIDS: Looking Back, Looking Forward"

Priorities in AIDS Care and Treatment Conference, Cape Town, South Africa, Plenary Session, "Reason, Rationality and Madness and the AIDS Epidemic"

2004 The XV International AIDS Conference, Bangkok, Thailand, Panel Presentation and Discussion, "How to Lose the War on AIDS"

The XV International AIDS Conference, Bangkok, Thailand, Panel Presentation and Discussion, "The Mysteries of Community Capital"

Professional Service:

Peer Review Groups/Grant Study Sections

2024 Reviewer, Health and Medicine Division of the National Academies of Sciences, Engineering, and Medicine

2024 Member, Ad-Hoc, Peer Review Panel, National Institute on Drug Abuse

2000-2004 Member, American Foundation for AIDS Research, Basic Research Peer Review Committee

2003 Member, Expert Review Panel, Doris Duke Charitable Foundation's Innovation in Clinical Research Award on Point-of-Care Diagnostics and Therapeutic Monitoring of AIDS in Resource-Poor Countries

1998 Member, Ad-Hoc Peer Review Panel for the Centers for AIDS Research, NIH/NIAID

1996 Member, Ad-Hoc Peer Review Panel for the AIDS Clinical Trials Group, NIH/NIAID

1996 Member, Ad-Hoc Peer Review Panel for the California Centers for AIDS Research, California State AIDS Research Program

Journal Service

Reviewer: *American Journal of Epidemiology*; *JAMA*, *Science*; *PLoS Computational Biology*; *Open Forum Infectious Diseases*, *New England Journal of Medicine*; *BMJ*; *PLoS Medicine*; *American Journal of Public Health*; *Journal of Urban Health*; *Globalization and Health*; *Health Affairs*; *Milbank Quarterly*; *JAMA Internal Medicine*; *Translational Research*; *Journal of Addiction Medicine*

Advisory Bodies for Federal and International Agencies and Foundations

2022- Pillar Lead, Knowledge Mobilization, International Mpox Response Consortium (IMREC)—research collaboration supported by the Canadian Institutes of Health Research (CIHR) Centre for Research on Pandemic Preparedness and Health Emergencies and the International Development Research Centre (IDRC)

2022-2023 Adviser, International Health Regulations (IHR) Emergency Committee Regarding the Multi-Country Monkeypox Outbreak, World Health Organization

2020 Advisor on COVID-19, Schmidt Futures

2019 Member, NIH Workshop on HIV-Associated Comorbidities, Syndemics Working Group

2017-2018 Member, Office of AIDS Research Ad Hoc Cost-Sharing Task Force, NIH

2017-2018 Member, Committee on Return of Individual-Specific Research Results Generated in Research Laboratories, National Academy of Sciences, Engineering, and Medicine

2001-2006 Member, Panel on Clinical Practices for the Treatment of HIV (convened by the Department of Health and Human Services and the Henry J. Kaiser Family Foundation)

2005-2006 Member, UNAIDS/UK Department for International Development Global Steering Committee on Universal Access to HIV Treatment, Care and Prevention

2000-2002 Member, Office of AIDS Research International Research Planning Group, NIH

1998-2002 Member, Office of AIDS Research Advisory Council, NIH

2002 Member, World Health Organization Planning Committee for Development of an International Plan of Action for Scale-Up of Antiretroviral Therapy

2001 Member, World Health Organization Antiretroviral Treatment Working Group

2000 Member, Search Committee for the Director of the Office of AIDS Research, NIH

1998 Member, Search Committee for the Director of the Office of AIDS Research, NIH

1995-1996 Member, Food and Drug Administration, Antiviral Drugs Advisory Committee

1995-1996 Member, NIH AIDS Research Program Evaluation Working Group

1995-1996 Member, NIH Etiology and Pathogenesis Area Review Panel

Meeting Planning/Participation

2022 Programme Committee and Epidemiology Committee, New York Academy of Medicine and the Foundation for Vaccine Research, The First International Symposium on Monkeypox (MPX)

2021 HIV/STI Session Chair, Society for Epidemiological Research 2021 Annual Meeting

2019-2020 Scientific Programme Committee, Track C: Epidemiology and Prevention Research, 23rd International AIDS Conference

2017 Chair, Yale Collaboration for Research Integrity and Transparency and European Public Health Alliance, Conference on Ensuring Safety, Efficacy and Access to Medical Products in the Age of Global Deregulation

2012 Co-Chair, Yale Global Health Justice Partnership Meeting on Mining, Tuberculosis and

- 2008 Silicosis in Southern Africa
2008 Co-Chair, Médecins Sans Frontières, Treatment Action Group, AIDS & Rights Alliance for Southern Africa Meeting on Development of Point-of-Care Assays for the Diagnosis of Tuberculosis
2008 Co-Chair, Treatment Action Campaign and AIDS & Rights Alliance for Southern Africa Meeting on Mines, Tuberculosis and Southern Africa
2007 Co-Chair, Treatment Action Campaign and AIDS & Rights Alliance for Southern Africa Meeting on Emergency Southern African Advocacy Summit on TB and HIV
2006 Chair, GMHC Forum on Structural Factors Driving Risk of HIV Transmission Among Gay Men and Communities of Color: Drug Use, Depression, Violence, Incarceration
2006 Chair, GMHC Conference on Moving towards Universal Access: Identifying Public Policies for Scaling Up AIDS Treatment and Strengthening Health Systems in Developing Countries
2005 Chair, GHMC and Human Rights Watch Symposium on HIV Testing and Human Rights
2001 Co-Chair, GMHC/Project Inform Workshop on Diagnostic and Monitoring Tools for the Management of Antiretroviral Therapy in Resource-Poor Settings
2000 Co-Chair, Treatment Action Group American Foundation for AIDS Research Workshop on New Viral and Cellular Targets for Antiretroviral Therapy
1997-1998 Member, Scientific Planning Committee, XII International Conference on AIDS
1996 Co-Chair, Treatment Action Group American Foundation for AIDS Research Workshop on Cellular and Systemic Reservoirs for HIV in Patients on Highly Active Antiretroviral Therapy
1993 Member, Planning Committee, NIH Conference on Immunologic and Host Genetic Resistance to HIV Infection and Disease

Yale School of Public Health Service

- 2023- Faculty Mentor, Yale Drug Use, Addiction, and HIV Prevention Research Scholars (DAHRS) Program (Yale School of Medicine)
2023 Chair, Epidemiology of Microbial Diseases Faculty Search Committee
2022- Member, Selection Committee, CIRA Shawn Lang HIV Equity Fellowship
2022-2023 Member, Yale University Monkeypox Planning Group
2021- Member, Global Health Concentration Committee, Yale School of Public Health
2021- Member, Health Justice Concentration Committee, Yale School of Public Health
2020- Member, Committee on Academic Advising for Master of Public Health Students, Epidemiology of Microbial Diseases, Yale School of Public Health
2018-2020 Co-Chair, Epidemiology of Microbial Disease Seminar Committee, Yale School of Public Health
2018- Member, Wilbur Downs Fellowship Committee, Yale School of Public Health
2017-2018 Member, Faculty Search Committee, Social and Behavioral Sciences, Yale School of Public Health

Public Service

- 2022- Society for Epidemiological Research, Scientific Dissemination Committee
2021- Public Health Correspondent, The Nation (<https://www.thenation.com/masthead/>)
2021- Commissioner, Board of Public Health Commissioners, City of New Haven, CT
2020-2022 Member, Board of Directors, Sex Worker and Allies Network, New Haven, CT
2017-2022 Member, Board of Directors, CitySeed, New Haven, CT

2007-2020	Chair, Board of Directors, International Treatment Preparedness Coalition
2007-2013	Member, Bill & Melinda Gates Foundation/Henry J. Kaiser Family Foundation Global HIV Prevention Working Group
2000-2010	Chair, Board of Directors, The CD4 Initiative at Imperial College, UK
2000-2005	Member, Board of Directors, Alliance for Microbicide Development
1989-1992	Member, AIDS Coalition to Unleash Power
