Please explain why you are interested in serving on this board/commission?	I am interested in serving the board because I want to be of service to New Haven. The Port Authority is a body I thought I could best serve and recently saw an open position on their website. My family has resided in and around New Haven since the 1700s and would like to be more involved in the city and help where I can be useful.
Why do you believe you are a good fit for this board/commission?	I strongly believe I would be a good fit for the board/commission as a result of my character, willingness to serve and experience. I enjoy working within a team to accomplish a common goal and have done so since organized sports as a child. Growing up, my mother always stressed the importance of service and would love to serve the city I live in.
Do you have any time commitments that would	I have taken a look at the monthly meeting schedule and would not

have any conflicts. Fortunately, my career is flexible in regards to time and would be happy to accommodate the commitment.
