Re: Order by the Board of Alders authorizing the City Engineer to install new sidewalks per section 27-102 of the General Ordinances on Crescent Street from Ella Grasso Boulevard to Colony Road

Dear President Walker-Myers:

This item respectfully requests permission to install new sidewalk in the existing right-of-way along the west side of Crescent St from Ella Grasso Boulevard to Colony Road. Local residents, along with their alder, have advocated for installation of the sidewalk along this two-block gap. The sidewalk leads to Bowen Field and Hillhouse Highschool, and provides vital pedestrian access for the neighborhood. The Resource Allocation Committee has favorably recommended this sidewalk for submission to the full Board for approval. Thank you for your consideration.

Sincerely,

Giovanni Zinn, P.E.
City Engineer
