

NEW HAVEN CITY PLAN COMMISSION ADVISORY REPORT

RE: **ORDINANCE AMENDMENT** to Section 17-201 of the General Code of Ordinances authorizing additions and changes in permits, licenses, and user fees for the Fiscal Year 2025-2026.

Submitted by: Shannon McCue, City Budget Director

REPORT: **1664-19**

ADVICE: Approve

BACKGROUND

As per Charter, Mayor Elicker submitted a proposed FY 2025-2026 budget for general, capital and special funds to the Board of Alders for their review and approval. The Board in turn referred items from the proposal to the City Plan Commission for review and comment.

The Mayor is proposing an ordinance amendment to Section 17-201 of the General Code of Ordinances, which includes additions and changes in permits, licenses, and user fees for Fiscal Year 2025-2026.

PLANNING CONSIDERATIONS

As a general point, in its review of the annual budget, the Commission has historically made note of issues relating to the Comprehensive Plan and the operation of the City Plan Department and does not take a line-by-line review of the budget overall. The City Plan Department notes that there are no proposed changes for City Plan Commission application fees for Fiscal Year 2025 versus Fiscal Year 2024.

ADVICE

Recommend approval.
