EXECUTIVE SUMMARY
2025 HOMETOWN FOUNDATION
Department of Police Services
July 2025
Funding request: \$12,500.00

The Department of Police Services seeks to accept funding of \$12,500.00 to purchase a K9 from the Red Devil K9 in Florida and accept an equipment donation for our patrol K9s from the Hometown Foundation. One of the NHPD K9s is retiring, and we need to maintain the number of K9s that support various purposes within the K9 Unit. The need for equipment is ongoing for our K9s and accepting this gift would reduce the equipment that we need to purchase.
