Hi Alder Festa,

Hope this email finds you well! I'm writing to express my strong support for the proposed Orange Street project in the East Rock neighborhood.

As a partner of Caffe Bravo, which has proudly served our community for over 30 years, I've seen firsthand how thoughtful development can positively impact the vitality, safety, and overall character of the area. I believe this project would be a welcome improvement that aligns with the values and long-term needs of our neighborhood—bringing more activity, foot traffic, and vibrancy to the local business environment.

We've always taken pride in being part of this community, and we're excited to see proposals that aim to strengthen it further.

Thank you for your leadership and for considering the voices of local business owners. Please feel free to contact me if you'd like to discuss this further.

Warm regards

Stacey Porrello
