

Department of Community Resilience

The US Department of HUD appropriated a one-time HOME- ARP funding in the amount of \$5 billion to help communities to provide housing, non-congregate shelter, and services for people experiencing homelessness. More specifically, the City of New Haven was allocated \$4,852,875 of these HOME-ARP funds to provide housing, non-congregate shelter or services for people experiencing homelessness. This grant will be used to address the growing unsheltered homeless situation within this city.
