Hi my name is Kenya, I have been a New Haven resident for the last 45 years. I am very active in my community. Coheer of ward ten, with the honor of helping people seek different resources. I am a retired DDS employee of 33 years. I now spend my time as a caregiver for my elderly mother and a grandmother to 17 grandchildren that I share with my husband. I enjoy doing work in my community as far as neighborhood clean ups and helping plant flowers that beautify the cedar hill area I live in and as a blockwatch association captain. Followed by a community advocate for the caderhill community.

Over the past twenty years, my family have made relationships with our local government such as, advocating for social justice, partnershiping with park and rec, friends of east rock park URI, the state streets merchants and local churches to brighten our everyday life. There are four generations in my household starting with my mother Betty Thompthson, who is a local icon in the cedar hill and New haven community. Showing stored ships for our city parks and outside spaces. Based on the things I mentioned, I hope you get an understanding of who I am. Thank you.
