<b>&lt;b&gt;New Haven Boards &amp; Commissions Listed&lt;/b&gt;</b>	Board of Police Commissioners
<b>Please explain why you are interested in serving on this board/commission?</b>	I'm interested in serving on the BOPC, due to my work as a community activist and local developer. Safe and robust communities thrive because of strong committed organizations such as the NHPD and other local organizations working together to bring about a cohesive and joint effort towards community revitalization and renewal. As communities are undergoing reconstruction and stabilization having strong ties with the local PD will ensure good effective policies which are rooted in community policing. I want to ensure we continue on the path of building a stronger and committed relationship between the residents of this City and the New Haven Police Department.
<b>Why do you believe you are a good fit for this</b>	Several reasons: 1) I current serve on the BOPC and I have helped the department navigate through some challenging concerns as it

<b>board/commission?</b>	relates to the department and our City. 2) As a local developer and resident I have sense of the pulse for the City and its residents. 3) I believe because of my years of service to the City as an elected official (Democrat Vice Chair), NAACP Political Chair, in the Non-Profit Sector and finally as a Life long resident; I believe I can assist the NHPD leadership in crafting good and effective policies which will make the Department stronger and more efficient in serving the citizens of our City.
<b>Do you have any time commitments that would prevent you from participating in the board/commission meetings?</b>	No not at this time
