Please consider this letter of **support** for the proposed changes to the Civilian Review Board (CRB) Ordinance (REF: [CRB Ordinance 2019](#)).

I Support for Proposed Changes to Quorum Definition and Need for Improved Nomination Process

I support a smoother nomination process Civilian Review Board Members,

I support the Extended Timeline for Review and Recommendations.

I support changes that strengthen the concurrent investigation of complaints by the CRB and ensuring the CRB receives case files as they become available, rather than only at the completion of an investigation.

Thank you for your consideration,

Germano Kimbro
