RE: RESOLUTION OF THE NEW HAVEN BOARD OF ALDERS OF OFFICIAL INTENT TO REIMBURSE EXPENDITURES FROM THE PROCEEDS OF TAX-EXEMPT OBLIGATIONS IN CONNECTION WITH LITIGATION AGAINST THE CITY OF NEW HAVEN, CONNECTICUT

Dear President Walker-Myers,

Enclosed for your consideration and approval is a Resolution of Official Intent to Reimburse Expenditures from the proceeds of tax-exempt obligations. This legislative item is necessitated by ongoing litigation in the matter of *Morant v. City of New Haven*, specifically regarding the City's financing of an appeal bond up to the amount of \$1,000,000.

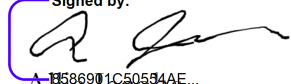

While the City ultimately intends to finance the long-term costs associated with this litigation through the issuance of tax-exempt bonds—to be authorized by a subsequent ordinance—municipal operations require the immediate advancement of funds to cover initial expenditures. The attached resolution serves as a formal declaration of intent under Treasury Regulation Section 1.150-2, preserving the City's legal authority to reimburse its general operating funds from the net proceeds of the eventual bond issuance.

Approval of this resolution is a standard procedural mechanism essential for federal tax compliance, ensuring that initial capital outlays can be legally recovered once long-term financing is secured. It further authorizes the Controller to manage these transactions pending the final execution of the obligations.

Thank you for your time, attention, and continued stewardship of the City's fiscal interests.

Sincerely,

Signed by:
