Dear President Walker-Myers,

Please find attached a Resolution of the Board of Alders regarding an updated Legislative Agenda for our key priorities. This resolution, which represents the voices and residents of our great City has been divided into five (5) categories outline below and to include but not be limited to the related issues noted under each one.

1. Jobs for New Haven Residents

- New Haven Works
- Jobs agreements
- Jobs for Youth

2. Public Safety for all

- True community policing
- Programs for at-risk youth
- Safe streets

3. Quality Affordable Housing

- Investments for more quality affordable units
- Zoning changes to support affordability
- Stronger inspection regimen to ensure wholesome conditions

4. Health Equity and Vibrant Communities

- Stronger public health infrastructure
- Stronger primary and preventive services
- Address racial disparities in access & outcomes

5. Environmental Justice

- Address the climate emergency
- Increase resiliency of our infrastructure & resources
- Address the disparate impact on communities of need

We look forward to working toward achieving these goals with the colleagues and community's support.
