* FY 14 Rainy Day Replenishment

On September 27, 2013 the City submitted a FY 13-14 Budget Transfer of \$4,103,249 from Debt Service (Dept. 600) to the Rainy Day Replenishment Fund (Dept. 601). The funds are available through approval of the Bond Sale Committee on August 29, 2013 of the re-funding of debt issued in 2003 and 2005. The Board of Alders approved the transfer on January 07, 2014 (OR-2013-0037).

Note 1:

As part of the fund balance calculation at the end of FY 12-13, the City's independent auditors designated \$4m as "non spendable" because of the accumulated negative fund balance in the Self Insurance fund (see page 14 of that report). Through the re-funding Series B 2014 re-funding efforts in August 2014 the City will propose to designate a portion of the cash flow savings to completely eliminate the negative fund balance in both the Self Insurance and Medical Self Insurance funds. It is the City's expectation that such a proposal, if approved, by the BOA will be viewed positively by the auditors thus leading to their removal of the \$4m "non spendable" designation.
