August 2018 Monthly Report summary

- The City is projected revenue over expenditures to equal a surplus of \$11M primarily due to August 2018 refunding
- As the fiscal year progresses, revenue and expenditure projections will be revised to mirror any budgetary changes within the City.

Revenue

- BABS Revenue-The amount of revenue received is not known until the end of June. The City is projected to receive the same amount as FY 2018 in the amount of \$500K. BABS - Build America Bonds (BAB) are taxable municipal bonds that featured tax credits and/or federal subsidies for bondholders and state and local government bond issuers. The city issued BABS approximately FY 2010. The City receives tax credits each year which has gradually decreased.
- Off track betting-The City is projected to receive the same amount as FY 2018, which was \$400K The State makes a grant to the City for OFF-TRACK BETTING facilities located here, at the rate of one percent of the total money wagered.
- Education Cost sharing-the current projected number for ECS is 142,781,849. This is a variation of the budget due to increased alliance funding, which is counted as an education grant per CT general statutes.
- Tax collections are on pace to meet budget
 - 45% of Real Estate taxes collected
 - 50% of Personal Property Taxes collected
 - 45% of motor vehicle taxes were collected
- Other Selected Revenue
 - Real Estate conveyance fee's up 47% over August 2017
 - City clerk Fees are down 8% over August 2017
 - Building Permits are down 53% over August 2017. The FY 2018-19 budget was reduced by \$4M for FY 2018-19
- State revenue projected to come in as budgeted

Expenditures

- Gross overtime for August 2017
 - Fire up 19% over August 2017
 - Parks down 18% over August 2017
 - Police is up 24% over August 2017
 - Public works is down 9% over August 2017
 - Public Safety is up 2% over August 2017
- Overtime for Police and Fire overtime is generally higher in July and August due to summer activities and events (concert on the green, bike races, tennis, etc.)

- In August 2018, The City refunded bonds to generate debt service savings in FY 2018-19. A recommendation as part of the refunding was that the debt service savings for the fiscal year ending June 30, 2019 be used to (1) provide for unanticipated shortfalls in intergovernmental revenue (State Aid), medical costs or other costs that may cause budgetary pressure, (2) restore the projected fiscal year 2018 deficit to the General Fund of the City, and (3) deposit \$2,250,000 to the City Employees Retirement Fund and \$2,250,000 to the Policemen and Firemen's Pension Fund.
- Police and Fire are both projected to go over budget in overtime for FY 2018-19. The overtime budgets are offset by the salary savings (vacancies) within each department; as well as other non-personnel cost savings
- Currently, Education is projecting a deficit to begin the fiscal year 2018-19. The current figure is \$8.4M for as of the monthly report provided for August 2018. The BOE continues working to get their budgeted deficit figure down to zero. Progress on the BOE budget will be updated as their projections are made available for the monthly report.

Medical Account

- The medical self-insurance account is projected to break even for FY 2018-19 as of August 2018. The projection uses the trend seen in July and August where claims are lower than the previous fiscal year. Revenue is also projected to increase by 2-3% each month. The projection will be updated as each month moves forward.
- Large Claims are also down, comparing August 2017 to August 2018

Special Fund Expenditure and Revenue Projection Explanation

Please note that expenditure and revenue projections contained in this report are estimates based upon preliminary information received from City Departments and Granting Agencies. Budgets reported for Fiscal Year 2018-2019 may reflect anticipated new awards that have not yet been approved by the funding agency and estimated program income not yet recognized. Funding will become available only after grant agreements have been approved, executed and budget have been entered on the City's financial accounting system, MUNIS.

Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are projected.

Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multi-year awards will available in the following fiscal year or until the grant period has ended.
