Please explain why you are interested in serving on this board/commission?	I have been serving on the Cultural Affairs Commission for the past two years and have enjoyed supporting Adrienne Jefferson and her team. They recently needed me to step up as Chair of this Commission and I said "yes" and would like to continue in that role.
Why do you believe you are a good fit for this board/commission?	I feel that I am good fit for this commission because I enjoy the arts and everything it provides our community. It provides culture, history and knowledge - that we pass on to the next generation. This staff, even though small do a lot of work and with the current members will be doing even more for our New Haven community.
Do you have any time commitments that would prevent you from participating in the board/commission	I am part of other boards in New Haven, but make it a priority to attend as many meetings as possible.
