<b>Please explain why you are interested in serving on this board/commission?</b>	I have lived in New Haven for most of my entire life and have seen many socio-economic changes/improvements throughout the years. In fact, under this administration, current Economic Development Team and in my years serving as Economic Development Commissioner, we have been able to guide and promote long-term economic goals for residents and businesses (large and small) located in City of New Haven.
<b>Why do you believe you are a good fit for this board/commission?</b>	I believe I am a good fit for this board based my knowledge and longevity as a resident of New Haven and based on my professional experience in the banking industry, mostly Commercial Real Estate and Industrial Lending. I have an understanding on how economic development impacts residents, homeowners, businesses and a community as a whole. Serving on the Commission has allowed for

	<p>the creation of employment opportunities, technological advances, improving living standards and conditions and overall, improve the quality of life for New Haven residents and businesses. We have definitely seen this come to fruition over the past few years with new housing, expansion of biotech industry, and improvements to our business districts (i.e. roadways and facades), throughout New Haven.</p>
<p><b>Do you have any time commitments that would prevent you from participating in the board/commission meetings?</b></p>	<p>If approved, I am fully committed to serving on the Commission.</p>
