Re: Determination of No Amendment Required
Yale New Haven Hospital Medical Area Overall Parking Plan

Dear President Walker-Meyers and Honorable Members of the Board of Alders:

Yale New Haven Hospital (“YNHH”) hereby requests that the Board certify, by unanimous consent at its November 17, 2025 meeting, that the YNHH petition to amend regulations pertaining to PDD 45 to allow certain signage in connection with the new Adams Neurosciences Tower does not require an amendment to the Medical Area Overall Parking Plan (“MAOPP”). The details of the proposed plan are provided in the pending petition, which was submitted to the Board on October 10, 2025.

Because no parking spaces will be added or lost in connection with the proposed PDD amendment, YNHH requests that the Board make a determination that there are no changes or amendments required to the MAOPP as a result of this application.

Thank you for your consideration of this request.

Sincerely,

Sara A. Sharp, Esq.
