Re: ORDER OF THE NEW HAVEN BOARD OF ALDERS AUTHORIZING THE MAYOR TO ENTER INTO A MULTIYEAR AGREEMENT WITH BUSPATROL AMERICA LLC TO PROVIDE SERVICES RELATED TO INSTALLATION, OPERATION, AND MAINTENANCE OF LIVE DIGITAL VIDEO SCHOOL BUS VIOLATION DETECTION MONITORING SYSTEMS (the "MONITORING SYSTEM").

Dear President Walker-Myers:

I am pleased to submit for the Board of Alders' consideration an order authorizing the Mayor to enter into a multi-year agreement with BusPatrol America, LLC, pursuant to Public Act No. 24-107 (the "Act") and the Board's August 4, 2025 approval of the amendment to Chapter 29, Traffic and Motor Vehicles, adding Article VII entitled "School Bus Violation Detection, Monitoring, and Enforcement System".

The City conducted a competitive solicitation process to identify a qualified vendor to implement and operate the program. BusPatrol America LLC responded to the solicitation and has demonstrated its experience, technical expertise and capacity to deliver a fully compliant and effective school bus violation detection system.

Approval of this order will allow the City to move forward with an important safety initiative that will enhance the protection of students and strengthen traffic enforcements in our city.

We appreciate your leadership and consideration of this important order. On behalf of the department, I respectfully request that the Board of Alders approve this order as submitted.

Very truly yours,

Sandeep Aysola, Director  
Transportation, Traffic, & Parking Department
