I have a very vested interest in the city of New Haven. I own two businesses on Chapel Street: idiom (19 years) and dwell New Haven 7 years). I also live on Chapel Street above ZINC. I want our city to continue to thrive, be accessible for locals and visitors, and be a destination. Convenient, safe, easy-to-navigate parking, accessible transportation options, and traffic flow are essential. Being a part of the community and living/working downtown has given me insight into what patrons of our local businesses encounter and want, and also, from my personal experiences, I'd be able to assist in making changes that positively impact downtown.

Are you currently employed by the City of New Haven or the New Haven Public School System?
