

PETITION TO EXTEND RESIDENTIAL PARKING PERMIT ZONE 18
Hyde Street (Between Fort Hale Rd & Stuyvesant Ave) – New Haven, CT

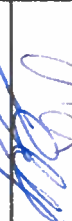

To: The City of New Haven Board of Alders, City of New Haven Parking Authority, & the Office of Mayor Justin Elicker,

We, the undersigned residents and stakeholders of Hyde Street, respectfully request that the City of New Haven extend Residential Parking Permit Zone 18 to include the section of Hyde Street between Fort Hale Road and Stuyvesant Avenue.

As residents of this area, we are experiencing increased difficulty in securing parking near our homes due to a high volume of non-resident vehicles occupying available spaces because of the Tweed Airport. This situation has negatively impacted our quality of life, safety, and access to our properties. Inclusion in Zone 18 Residential Parking will help alleviate these issues by prioritizing parking for residents and ensuring fair and reasonable access to street parking.

By signing this petition, we affirm our support for this request and urge the City of New Haven to take the necessary steps to amend the current permit zone boundaries accordingly.
