Please explain why you are interested in serving on this board/commission?	I wish to build in the vision and mission of the Q House. Helping to bridge the generations through multimedia engagement and infrastructure building for programming. Helping to build partnerships and gauge in real time engagement at the Q House by self participation and involvement. Helping to structure the Q as a Community Education Organization that can embody its principles for ALL people.
Why do you believe you are a good fit for this board/commission?	I have many professional skills and connections that will make my ongoing work on this board an asset. I work to advertise, engage, and build infrastructure for the Q in both an organizational and relational capacity. I have contributed to

	the Q House greatly in the past few years through attendance and contribution of ideas and strategy at Board Meetings, written proposals, organization & strategy for Youth of the Q, multimedia infrastructure, regular participation in Q House programming and events. As a working member of the Board, I work hard to build relationship between the board and the community through unique programming geared toward education and fun engagement of intergenerational patrons. Long live the Dixwell Community "Q" House!
