To Whom it may concern,

I am a resident and registered voter in New Haven. I am writing in **support of revisions to the Code of the City of New Haven, Article X Boards and Commissions, Division 10 Civilian Review Board. Please adopt the recommended amendments.**

The proposed changes are necessary to allow for transparency and collaboration as intended by the existence of a CRB. The CRB should have access to investigative material in tandem with the NHPD internal Affairs investigation to effectively make findings and recommendations in a timely manner and in a manner that responds to civilian and the community needs.

Thank you
