The City and the Developer are hereinafter sometimes together referred to as the "Parties", or individually as a "Party".

BACKGROUND

In 2019, the City adopted the Long Wharf Responsible Growth Plan (the "Planning Document") which entails a series of initiatives designed to enhance the economic position of the Long Wharf area through development, resiliency and inclusion. A key part of the Planning Document is a sub-area known as the Gateway District as shown in Exhibit A and the Planning Document identified potential ways to reduce the amount of surface parking spaces, integrate the currently vacant Gateway Community College parcel located at 0 Sargent Drive and 60 Sargent Drive, and generally improve the Gateway District with increased economic activity.

The Developer is a tenant at 1 Long Wharf with a mission to promote health and recovery for those who live with substance abuse disorders and/or mental illness. The Developer is in need of additional space to accommodate and reshape many of its programs to meet both demand and advancements in the field. Accordingly, pursuant to the provisions of a Memorandum of Understanding entered into by and between the City and the Developer and dated July 7, 2023, the Parties have agreed that it is desirable, feasible, and consistent with the Planning Document to locate a new headquarters for the Developer (the "Project") at that property known as 0 Sargent Drive, more particularly described in Exhibit B, attached hereto and made a part hereof (the "Property") and more particularly shown on the Survey of Existing Conditions attached hereto as Exhibit C and made a part hereof.

In pursuance of the Project and in accordance with Special Act 23-27, approved June 28, 2023, the City has acquired the Property from the Board of Regents of the State of Connecticut, and the Parties have negotiated the terms and conditions set forth in this agreement as regards the conveyance of the Property to the Developer and the subsequent commencement and completion of the Project.

Section 4.10 Fill Material

To the extent that the City shall have in its possession or control any fill material which may be appropriate for the Project, the City shall offer the same at no cost to the Developer provided that the Developer shall be solely responsible for all environmental testing of the same and otherwise determining suitability including, without limitation, as regards any environmental issue, and the indemnity set forth in Section 3.9(b) above shall apply equally to the use and effect of any such fill material. The Developer hereby acknowledges and stipulates that as of the Effective Date, the City is unable to give any indication as to whether any such fill material may be available, so that the Developer shall be responsible for planning accordingly.

ARTICLE V
MORTGAGES OF INTEREST IN PROPERTY

Section 5.1 Mortgage of Property by the Developer

(a) Notwithstanding any other provisions of this Agreement, the Developer shall at all times have the right to encumber, pledge, or convey its right, title and interest in and to the Property, or any portion or portions thereof, by way of a bona fide mortgage to secure the payment of any loan or loans obtained by the Developer to finance the acquisition of the Property and/or the Construction Work (a "Mortgage"), provided that any mortgagee holding any such Mortgage (a "Mortgagee") taking title to the Property or part thereof (whether by foreclosure or deed in lieu of foreclosure or otherwise) shall be subject to the provisions of this Agreement and the Developer shall give written notice to the City of the proposed grant of any such Mortgage, the amount thereof and the name and address of the Mortgagee. This Agreement shall be superior and senior to any lien placed upon the Property after the date of the recording of this Agreement, including the lien of any Mortgage, except for the liens that by law have superiority over this Agreement.

(b) The City shall from time to time, upon not less than fourteen (14) days prior written notice, execute acknowledge and deliver without charge to any Mortgagee, or to any prospective Mortgagee designated by either the Developer or any Mortgagee, or to any prospective purchaser of the Developer's interest in the Property as provided for herein, a statement in writing stating that (i) this Agreement is in full force and effect and unmodified (or if there have been any modifications, identifying the same by the date thereof and including a copy thereof) (ii) no notice of default has been served on the Developer (or if the City has served such notice, the City shall provide a copy of such notice or state that the same has been revoked, if such be the case) (iii) to the City's knowledge no default exists under this Agreement or state or condition that, with the giving of notice, the passage of time, or both, would become a default (or if any such default does exist, specifying the same) and (iv) the amounts due under this Agreement and any other information as may be reasonably requested.

(c) No voluntary action by the Developer to cancel, surrender, terminate or modify this Agreement shall be binding upon any Mortgagee without its prior written consent, and the City shall not enter into an agreement with the Developer to amend, modify, terminate or cancel this Agreement and shall not permit or accept a surrender of this Agreement prior to the end of the Term without, in each case, the prior written consent of any Mortgagee. In the event that the Developer and the City shall desire to enter into any such agreement, it shall be the responsibility of the Developer to obtain the consent of each Mortgagee.

(d) Notwithstanding any other provision of this Agreement, no Mortgagee shall become personally liable under this Agreement unless and until it becomes the holder of the Developer's estate for any claims, suits, actions or inactions arising out of events occurring prior to the date that it becomes the holder of the Developer's estate and then only upon the terms and conditions as set forth in this Agreement concerning a foreclosing Mortgagee.

Section 5.2 Foreclosure of Mortgage/Acquisition of the Developer's Estate by Mortgagee

(a) Notwithstanding anything to the contrary in this Agreement, any Mortgagee or any entity, that, directly or indirectly, is owned and controlled by such Mortgagee (a "Designee") may acquire title to the Property by foreclosure or a transfer in lieu of foreclosure without any consent or approval by the City. If a Mortgagee or Designee acquires the Developer's estate in the Property or forecloses its Mortgage prior to issuance of a Certificate of Completion for the Project, such Mortgagee shall, at its option: (i) complete construction of the Developer Improvements in accordance with this Agreement and in all respects (other than time limitations) comply with the provisions of this Agreement with respect to the Property; or (ii) sell, assign or transfer the Developer's estate in the Property to a purchaser, assignee or transferee who shall expressly assume all of the covenants, agreements and obligations of the Developer under this Agreement, other than time limitations, which time limitations shall be reasonably extended by

the City. Thereafter, such purchaser, assignee or transferee shall be deemed the "Developer" under the terms of this Agreement with respect to the Project, by written and recordable instrument reasonably satisfactory to the City filed in the New Haven Land Records. It is the intention of the Parties that upon the assignment of this Agreement by a Mortgagee or its Designee, the assignor (but not the assignee or any subsequent assignor, purchaser or transferee) shall be relieved of any further liability which may accrue under this Agreement from and after (but not before) the date of such assignment and that such assignment.

(b) In the event a Mortgagee completes the construction of the Developer Improvements to be constructed under this Agreement on the Property or in accordance with this Agreement (other than time limitations), the Mortgagee may sell, assign or transfer fee simple title to the Property to any purchaser, assignee or transferee, without restriction as to the consideration to be received and without the City's consent, provided that if such sale, assignment or transfer is during the Term of this Agreement, the purchaser, assignee or transferee expressly assumes all of the covenants, agreements, and obligations under this Agreement with respect to the Property which have not yet been performed and which survive the issuance of the Certificate of Completion by written instrument, reasonably satisfactory to the City and recorded in the New Haven Land Records. Provided, further, it is the intention of the Parties that upon a sale, assignment or transfer by a Mortgagee or its designee in accordance with the terms of this Section 5.2(b), the assignor (but not the assignee or any subsequent assignor, purchaser or transferee) shall be relieved of any further liability which may accrue under this Agreement from and after (but not before) the date of such assignment.

(c) If any Mortgagee acquires the Developer's estate in the Property after issuance of a Certificate of Completion but during the Term, such Mortgagee shall comply with the applicable provisions of this Agreement which have not yet been performed and which survive the issuance of the Certificate of Completion with respect to the Project, provided any Mortgagee shall have the right to sell, assign or transfer the fee simple title to the Property on the same basis as set forth in this Agreement.

(d) If any Mortgagee becomes the holder of the Developer's estate in the Property, the City acknowledges that any claims or lawsuits or judgments obtained by the City against such Mortgagee and arising under this Agreement shall be satisfied solely out of the Mortgagee's interest in the Property.

(e) The rights of any Mortgagee under this Agreement shall extend to any Designee of the Mortgagee or any assignee or transferee of a Mortgage, provided that the City shall not be bound to recognize any assignment of a Mortgage unless and until the City shall have been given written notice thereof together with a copy of the executed assignment and the name and address of the assignee. Thereafter, such assignee shall be deemed to be a Mortgagee hereunder.

Section 5.3 Notice of Default to Mortgagee

(a) If the City shall deliver a Default Notice to the Developer, the City shall simultaneously give a copy of such Default Notice to each Mortgagee at the address theretofore designated by the Mortgagee. Any such copy of a Default Notice shall be given in the same manner provided in the Agreement for giving notices between the City and the Developer. No Default Notice given by the City to the Developer shall be binding upon or affect the Mortgagee, unless the City shall have delivered to such Mortgagee a copy of the Default Notice. In the case of an assignment of a Mortgage or change in address of the Mortgagee, the assignee or Mortgagee, by written notice to the City, may change the address to which copies of Default Notices are to be sent.

(b) A Mortgagee shall have the right to perform any term, covenant, or condition and to remedy any default by the Developer under this Agreement with respect to the Property subject to its Mortgage within the applicable time period to cure a default afforded the Developer, plus an additional period of thirty (30) days, which period shall be reasonably extended if the default is not in the payment of money and the Mortgagee commences to remedy the default within such period and thereafter diligently prosecutes such remedy to completion with respect to the Property subject to its Mortgage. Further, the default is of a nature that possession of the Property by the Mortgagee is reasonably necessary for the

Mortgagee to remedy the default, a Mortgagee shall be granted an additional period of time within which to obtain possession, provided that a Mortgagee shall have commenced foreclosure or other appropriate proceedings in the nature thereof within a reasonable period of time (including any time necessary to obtain relief from any bankruptcy stay) and shall thereafter diligently prosecute any such proceedings to completion. Additionally, the period for a Mortgagee to cure a default in the failure to substantially complete construction of any portion of the Property on which it holds a Mortgage when required to do so under this Agreement shall be extended for the period during which a Mortgagee is diligently and continuously working towards completion of the construction.

(c) The City shall accept performance by a Mortgagee of the Developer's obligations under this Agreement with the same force and effect as if furnished by the Developer. In the event that a Mortgagee elects to cure a default occasioned by the failure of the Developer to complete the Developer Improvements in accordance with this Agreement, then, upon completion of such construction work, such curing Mortgagee shall be entitled to a Certificate of Completion with regard to the completion of the construction work in accordance with the provisions of Section 8.3 of this Agreement, upon which all rights of the City arising as a result of such default by the Developer shall terminate.

Section 5.4 New Development Agreement

(a) In the event of the termination of this Agreement prior to its stated expiration date by reason of rejection of this Agreement by the Developer in a bankruptcy or a similar proceeding, notice thereof shall be given by the City to the Mortgagee, together with a statement of all amounts then due to the City from the Developer under this Agreement, and the City shall enter into a new agreement with the Mortgagee or its Designee, at the request of the Mortgagee or its Designee, with respect to the Property on which the Mortgagee holds a Mortgage(s) for the remainder of the Term, effective as of the date of such termination, upon all of the terms and conditions herein contained and, to the extent possible, with the same priority as this Agreement, provided that such Mortgagee shall make written request to the City for such new agreement within sixty (60) days from the date it receives notice of such termination.

(b) In the event that the City and the Mortgagee enter into a new agreement, the City shall be under no obligation to remove from the Property the Developer or anyone holding by, through or under the Developer, and the Mortgagee shall take the Property which was the subject of the Mortgagee subject to (i) the possessory rights, if any, of the Developer and such occupants, (ii) any and all liens and encumbrances that existed at the time of the conveyance of the Property to the Developer; (iii) any other encumbrances which the City shall have entered into or approved under and in accordance with the terms of this Agreement; (iv) the lien of taxes on the Property which are not yet due and payable; and (v) any other lien or encumbrance created or caused by the Developer.

It is specifically acknowledged and agreed that all covenants, duties and obligations of the Developer hereunder with respect to the Property shall survive the execution of any new agreement among the City, if applicable, and the Mortgagee (or its Designee) pursuant to this Section 5.4 and that such execution shall not release or be deemed to release the Developer from any liability for failure to perform any such covenant, duty or obligation. In the event that more than a single Mortgagee shall make a request for a new agreement hereunder with respect to the Property, the Mortgagee senior in lien priority shall have the prior right to a new agreement and the certification of such priority from a title company duly licensed to do business in Connecticut shall be conclusively binding on all Parties concerned.

ARTICLE VI

TOGETHER WE GROW

Section 6.1 Permanent Jobs

The City and the Developer recognize the importance of creating economic opportunities for New Haven residents and agree to work collaboratively and on an ongoing basis to connect New Haven residents to jobs resulting from the Project during construction and thereafter, only to the extent to which the Developer has discretion with respect to employment opportunities. In particular:

(a) notwithstanding the minimum obligations set forth in Section 6.2 and Section 6.3 below, the Developer shall use best, good faith efforts to collaborate with New Haven Works and the region's workforce board (the "Workforce Alliance") towards the maximization of the use of local labor with respect to construction of the Project, to the extent to which the Developer has complete discretion concerning employment opportunities;

(b) The Developer shall advocate on behalf of New Haven Works and the Workforce Alliance with the Developer's management team and commercial and retail tenants with respect to entry into partner agreements with New Haven Works and the Workforce Alliance in order to maximize opportunities for New Haven residents to obtain permanent jobs created as a result of the Project.

(c) The Developer shall sponsor at least one (1) job fair prior to the commencement of the Developer Improvements aimed at informing small businesses of the Project and striving to provide construction and/or ancillary opportunities for small businesses during the carrying out of the Developer Improvements.

Section 6.2 Workforce Requirements During Construction

(a) In carrying out the construction of the Project, the Developer shall comply with, or require that its general contractor for the Project comply with, all applicable City workforce requirements now and hereafter existing, including, without limitation, all Equal Employment Opportunity requirements and in particular, during the construction of the Project, the Developer agrees that it shall:

(i) Comply with all provisions of Executive Order 11246 and Executive Order 11375, Connecticut Fair Employment Practices Act and Chapter 12 1/2, the contract compliance ordinance of the City of New Haven, including all standards and regulations which are promulgated by the government authorities who established such acts and requirements, and all such applicable standards and regulations are incorporated herein by reference, including 24 CFR Part 135, Davis Bacon Act & Related Acts (40 USC §276a; 29 CFR 1, 3, 5, 6 and 7), Copeland Act (18 USC §874 and 40 USC §276c; 29 CFR 3), 40 U.S.C. Section 327 et seq 29 CFR5, Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, the Americans with Disabilities Act, and the Equal Pay Act. Under Title VII (N-915.040), Immigration and Reform and Control Act of 1986 (IRCA) (8 USC 1101 as amended) Immigration and Nationality Act, Section 274A, FLSA's recordkeeping Regulations, 29 CFR Part 516. State of Conn. General Statues Section 31-53, State of Conn. P.A.97-263, Sec. 31-51d-5. Standards of apprenticeship.

(ii) Comply with applicable law that prohibits discrimination against any employee or applicant for employment because of race, color, religion, gender, age, sexual orientation, gender identity or expression, marital status, physical disability or national origin. The Developer shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to race, color, religion, gender, age, sexual orientation, gender identity or expression, marital status, physical disability or national origin, and such action shall include, but not limited to, employment,

upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of any or other forms of compensation, and selection for training, including apprenticeship.

(iii) Post, in conspicuous places available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(iv) State, in all solicitations or advertisements for employees placed by or on behalf of the Developer, that all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, age, sexual orientation, gender identity or expression, marital status, physical disability or national origin, and notify the

City of New Haven Commission on Equal Opportunities (the "Commission") of all job vacancies.

(v) Work with the Commission in complying with Section 12 ½ of the City of New Haven's Code of Ordinances and in particular (without limitation):

A. the Developer acknowledges that under Section 12 ½-26 all prime contractors, subcontractors and tiers must attend a pre-award conference scheduled by the Developer and conducted by the Commission; and that during each such pre- award conference, meeting minutes are kept to be signed by each such party; and

B. the Developer shall deliver to the Commission notice of all contracts to be bid, together with the opportunity to review the same and opportunity to attend all pre-bid conferences or other such meetings concerning the same as may take place;

C. the Developer shall furnish all information and reports required by the City pursuant to Section 12-1/2-19 through section 12-1/2-32 of the City's Code of General Ordinances and to permit access to the Developer's books, records and accounts by the contracting agency, the City, and the Commissioner of Labor of the State of Connecticut for purposes of investigations to ascertain compliance with the program and file, along with its construction subcontractors, if any, compliance reports with the City in the form and to the extent prescribed in this Agreement by the City and to file compliance reports at such times as directed which shall contain information as to the employment practices, policies, programs and statistics of the Developer and its subcontractors, if any; and

D. the Developer shall comply, as a United States employer, with the Immigration and Naturalization Service (INS)'s I-9 verification process, which requires employers to confirm the employment eligibility of workers. The Developer acknowledges that an employer can be fined or otherwise sanctioned for knowingly hiring an undocumented worker; that the I-9 forms also provide employers with a "good faith" defense if they hire someone who later turns out to be working illegally in the United States; and that the Commission will monitor and report of any alleged violations of the I-9 verification process to the proper authorities.

(vi) Utilize to the most reasonable extent (and without prejudice to the specific requirements of Section 6.1 above) manpower programs sponsored or supported by the City or by the Department of Labor of the State of Connecticut (the "DoL") and notify such programs of all job vacancies arising as a result of the Project, together with the Commission's contract compliance unit, and recruitment and training programs sponsored by the City in order to ensure the hiring of qualified minority, women and physically disabled employees, trainees and apprentices, it being hereby agreed and acknowledged by

the Developer that if the Developer fails to meet compliance requirements and is unable to furnish reasonable evidence of such utilization, then the Developer shall automatically be deemed non-compliant with the Developer's obligations under this Section 6.2.

(vii) Include the provisions of Section 6.2(a)(i) and Section 6.2(b)(ii) in every subcontract or purchase order so that said provisions will be binding upon each such subcontractor or vendor.

(viii) Take such action, with respect to any subcontractor, as the City may direct as a means of enforcing the provisions of this Section 6.2, including penalties and sanctions for noncompliance and fines and penalties related to the rules of practice enforced by the City Commission on Equal Opportunities or the SBC office, whichever is applicable, provided however that, in the event the Developer becomes involved in or is threatened with litigation as a result of such direction by the City, the City will intervene in such litigation to the extent necessary to protect the interest of the City and to effectuate the City's Equal Employment Opportunity program.

(ix) Make best efforts to have the Developer's general contractors, construction manager and all subcontractors for the Project hire the following groups, in correspondence to the following percentages of total hours completed on the Project: twenty-five percent (25%) of hours to be worked by minorities as defined in Ordinance Section 12-1/2-19(n); six and nine-tenths percent (6.9%) of hours to be worked by females; twenty-five percent (25%) of hours to be worked by residents of the City.

(b) The Developer hereby acknowledges that a finding of a refusal by the Developer, or subcontractor, to comply with any portion of the requirements set forth in this Section 6.2 may result in the refusal of all future bids for any public contract with the City of New Haven, or any of its departments or divisions, until such time as the Developer, or subcontractor (as appropriate) shall bring itself into compliance with the requirements of this Section 6.2.

(c) Without prejudice to the various other penalties and sanctions available to the Commission as a result of the Developer's failure to comply with the requirements of this Section 6.2, the Developer hereby acknowledges the table of financial penalties imposable by the Commission and approved by the City's Board of Alders.

(d) The Developer shall consult with the Department of Labor to determine the wage rate(s) appropriate for the Project, based on the wage levels required pursuant to the various governmental funding sources.

Section 6.3 **Small Contractor Utilization Requirements During Construction**

(a) In carrying out the construction of the Project, the Developer shall comply with, or require that its general contractor for the Project comply with, all applicable City small contractor utilization requirements now and hereafter existing, including, without limitation, the Small Contractor Development Program ("SCDP") requirements as set forth in Section 12 ¼ of the City's Code of General Ordinances (the "Program") and in particular, during the construction of the Project, it is acknowledged and agreed that:

(i) the Developer shall comply with all applicable SCDP requirements, including, without limitation, all small business construction initiative requirements and in particular, during the carrying out of the Project, the Developer agrees to require its construction manager, general contractors and its construction subcontractors to comply with the provisions of Ordinance Section 12 1/4-9, which require that every effort be aggressively made to meet the Utilization Goals for Minority Owned Business Enterprises ("MBE") and Women Owned Business Enterprises ("WBE") which are herein collectively referred to as the "MBE/WBE Utilization Goals". Pursuant to Ordinance Sections 12 1/4-

9(d) and (f), the Developer and its contractors shall be considered to have achieved compliance with the MBE Utilization Goals if work totaling the value of twenty-five (25%) percent of the total construction cost is awarded to MBEs/WBEs; in order to achieve MBE/WBE Utilization Goals, contracts may be awarded to MBE/WBE subcontractors and/or a contractor may enter into a joint venture or other commercially reasonable relationship that is satisfactory to the City with one or more MBEs/WBEs for the purpose of performing construction work on the Development. In the event that the Developer is unable to meet the MBE/WBE Utilization Goals, then the Developer shall document in an affidavit its good faith effort to achieve the MBE/WBE Utilization Goals, which efforts will be evaluated, verified and recognized by the City. The good faith efforts shall be determined using the following factors:

A. the contractor negotiated in good faith with certified minority- and women-owned business enterprises submitting bids, proposals, or quotations and did not, without justifiable reason, reject as unsatisfactory any bids, proposals or quotations prepared by any certified minority- or women-owned business enterprise. "good faith" negotiating means engaging in good faith discussions with certified minority- or women-owned business enterprises about the nature of the work, scheduling, requirements for special equipment, opportunities for dividing of work among the bidders, proposers, and various subcontractors and the bids of the minority or women businesses, including sharing with them any cost estimates from the request for proposal or invitation to bid documents, if available; and

B. the submittal of scope specific subcontracting opportunities with the SCDP for distribution; and

C. demonstration to the SCDP whether the contractor provided relevant plans, specifications or terms and conditions to certified minority- and women-owned business enterprises sufficiently in advance to enable them to prepare an informed response to a contractor request for participation as a subcontractor; and

D. verification of quotes received from subcontractors that were denied because of cost, quality, availability, etc.; and

E. the contractor identified economically feasible units of the Project that could be contracted or subcontracted to certified minority- and women-owned business enterprises in order to increase the likelihood of participation by such enterprises on the contract; and

F. conducting a networking event with owner, construction manager, and prime contractors; and

G. holding individual trade meetings with construction manager, prime contractors and sub-contractors; and

H. the contractor followed up initial solicitations by contacting the enterprises to determine whether the enterprises were interested in such contracting or subcontracting opportunity.

(ii) To ensure equal opportunities for participation by MBEs and SBEs in the Project, the Developer or its general contractors or construction manager shall notify the SCDP of all construction contracting opportunities for all phases of the Project carried out by the Developer.

(iii) The Developer shall include the provisions of Section 6.3(a) and Section 6.3(b) in every subcontract or purchase order so that said provisions will be binding upon each such subcontractor or vendor.

(iv) The Developer and/or its general contractors or construction manager shall permit information about construction opportunities to be distributed to potential subcontractors via facsimile and email.

(v) The Developer together with the SCDP shall hold a workshop detailing the Project and the contracting opportunities therefor.

(vi) The Developer shall cooperate with the SCDP in its efforts to encourage mentoring programs and management, technical, and developmental training skills through sub-contracting opportunities.

(b) The Developer shall furnish all information and reports required by the SCDP and to permit access to the Developer's records of and to require that its construction manager, general contractors and subcontractors provide access to their records in order verify compliance with the requirements of this subsection, to provide the SCDP with the opportunity to review proposed contracts prior to the award of the same and to provide such Program with notice of all pre-bid conferences and the opportunity to attend such conferences.

(c) The Developer shall take all reasonable corrective actions requested by the City to comply and to effectuate compliance with the requirements of this Section 6.3.

(d) A finding of a refusal by the Developer, or subcontractor, to comply with any portion of the Program may subject the offending party to any of the sanctions herein or therein provided for, which may include the refusal of all future bids for any public contract with the City, or any of its departments or divisions, until such time as the Developer, or subcontractor (as appropriate) shall bring itself into compliance with the requirements of this Section 6.3.

(e) The Developer shall take such action, with respect to any subcontractor, as the City may direct as a means of enforcing the provisions of this Section 6.3, including such penalties and sanctions for noncompliance as set forth in this Section 6.3 as related to the rules of practice enforced by the SCDP provided however that, in the event the Developer becomes involved in or is threatened with litigation as a result of such direction by the City, the City will intervene in such litigation to the extent necessary to protect the interest of the City, and provided further that any such action required to be taken by the Developer shall be at no cost to the Developer. During the pendency of any legal proceedings the Developer shall continue to move forward on the Project and shall not be the guarantor of any outcomes of such litigation.

(f) The Developer acknowledges that the penalties for non-compliance with the provisions of this Section 6.3 include the following penalties, which the Developer shall bring to the attention of all contractors and subcontractors carrying out any portion of the Project:

(i) declaring the Developer or contractor to be nonresponsive and ineligible to receive the award of a contract;

(ii) declaring the Developer or contractor to be an irresponsible bidder and disqualified from eligibility for providing goods or services to the City for a period of up to twelve (12) months;

(iii) the removal of an offending contractor from the City's list of registered SBEs or MBEs; and

(iv) the imposition of a civil penalty on the Developer and/or any offending contractor of up to ten thousand dollars ($10,000.00) in any instance in which the noncompliance is determined to be willful or persistent or with blatant disregard for the provisions of this Section 6.3.

ARTICLE VII

PERMITS AND APPROVALS

Section 7.1 Zoning

(a) Subject to the provisions of Section 7.1(b), it is hereby agreed and acknowledged between the Developer and the City that the Property has the benefit of the Required Project Zoning, so that the Project may be carried out by the Developer in accordance with the terms and conditions of this Agreement, without the need for any special exceptions or other such zoning relief of any description, subject, however, to the provisions of Section 7.1(b) and 7.2 below.

(b) Notwithstanding the provisions of Section 7.1(a) above, it is agreed and understood that the Required Project Zoning may not provide sufficient parking for the purposes of the Project, in which event, the Developer shall be entitled to seek an appropriate variance or amendment to the Zoning Ordinance, so that, for the purposes of this agreement, the term "Required Project Zoning" shall include the obtaining by the Developer of such Zoning relief.

(c) Notwithstanding the provisions of Section 7.1(a) above, in the event of any unforeseen circumstance which requires a modification of the Project in accordance with a modification agreement (the "Modification Agreement") agreed and executed by both the City and the Developer, but the Project, in its modified form pursuant to the Modification Agreement could not be completed within the parameters of the Required Project Zoning, then the City shall cooperate with the Developer in seeking such zoning relief as may be necessary, provided it is agreed and understood that the City's executive departments have no control over decisions made by the City's Board of Alders, the City Plan Commission ("CPC") or the City's Board of Zoning Appeals (as appropriate). If zoning relief is required, but not obtained (or is inadequate) following exhaustion of all administrative appeals, then it shall be the responsibility of the City and the Developer to act reasonably in the negotiation and execution of a modification to the Modification Agreement, whereby the Project may be carried out in accordance with the Required Project Zoning, or (if appropriate) such inadequate zoning relief as may have been obtained, utilizing the Dispute Resolution Procedure to the extent necessary.

(d) To the extent that the Developer shall seek the Required Project Zoning prior to acquisition of the Property, the City shall execute such applications with respect thereto as may be reasonably necessary for such purpose.

Section 7.2 Site Plan Review

The Developer shall file for Site Plan Review (and, if applicable Coastal Site Plan Review and/or special permits) for approval of the Developers Improvements with the CPC pursuant to the applicable sections of the Zoning Ordinance. Any changes to any matters contemplated by this Agreement approved by the CPC as part of its Site Plan Review or Coastal Site Plan Review, shall, when agreed to in writing by the Developer, be deemed to modify the matters contemplated by this Agreement without any need for any modification or amendment to this Agreement.

Section 7.3 Permits

The Developer shall apply for all required building permits, certificates of occupancy, street openings and other permits as may be required for the construction of the Developer Improvement or the operation of the Project.

Section 7.4 Greater New Haven Water Pollution Control Authority

The Developer shall apply for and obtain such permits and approvals as may be necessary for an extension of the collection system and the lawful discharge of surface waters from the Property. To the extent required by Section 4 of the GNHWPCA Sewer Ordinance, as amended, the City's BOA consents and approves any extension of the GNHWPCA collection system.

ARTICLE VIII
THE DEVELOPER IMPROVEMENTS, CERTIFICATE OF COMPLETION AND ASSIGNMENT

Section 8.1 Construction Progress Reports

The Developer shall provide the City with construction progress reports every ninety (90) days after construction of the Developer Improvements commences. Such reports, which shall be made publicly available, shall state whether any dates on the Project Schedule have been met and any anticipated difficulties in meeting such dates and shall include a list of any and all Force Majeure Events claims to result in Excusable Delays.

Section 8.2 Insurance

The Developer shall obtain and shall cause its general contractor to obtain general liability insurance in the amount of Three Million and No/100 Dollars ($3,000,000.00) per occurrence and Three Million and No/100 Dollars (3,000,000.00) aggregate (or Three Million and No/100 Dollars ($3,000,000.00) combined single limit) and shall name the City as an additional insured on all such insurance policies. The Parties agree that the Developer's insurance coverage obligations under this Section 8.2 may be satisfied (in whole or in part) by an insurance policy providing umbrella coverage. In addition, the Developer shall cause all construction subcontractors to obtain general liability insurance in the amount of One Million and No/100 Dollars ($1,000,000.00) per occurrence and Two Million and No/100 Dollars ($2,000,000.00) aggregate and shall name the City as an additional insured on all such insurance policies.

Section 8.3 Certificate of Completion

(a) After Substantial Completion of the Developer Improvements, the Developer shall give notice via certified mail return receipt requested to the Economic Development Administrator of the City, with a copy to the Economic Development Administrator, of the same. Notwithstanding any other provision of this Agreement, the Economic Development Administrator shall cause the Developer Improvements to be inspected within thirty (30) days of a request for a Certificate of Completion and shall furnish such Certificate of Completion within forty-five (45) days of the Developer's request for the Certificate. The Certificate of Completion shall be in such form as will enable it to be recorded on the New Haven Land Records. For the avoidance of confusion, the legal right to occupy the Project is governed exclusively by the issuance of a Certificate of Occupancy by the City under applicable laws and the Certificate of Completion referenced in this Section addresses only the Developer's satisfaction of its obligations under this Agreement.

(b) The Certificate of Completion shall be a conclusive determination that the Developer has (i) Substantially Completed the construction of the Developer Improvements and (ii) complied with all other obligations under this Agreement concerning the development of the Project (including, without limitation, the obligations set forth under Article IV and Article VI of this Agreement). Upon the issuance of the Certificate of Completion, the Developer shall have no further obligations under the terms of this Agreement except the Developer's obligations under Section 3.10 (Right of Refusal), Section 4.7 (Prohibited Uses), Section 4.8 (Operating and Maintenance of the Property), Section 4.9 (Reimbursement of the City)

and Section 9.2 (Management) which shall continue for the duration of the Term, and except those provisions of this agreement that expressly survive termination or expiration of this Agreement.

(c) Notwithstanding any other provision of this Agreement, if the Economic Development Administrator shall refuse or fail to provide certification in accordance with the provisions of this Section 8.3, the Economic Development Administration shall, within such forty-five (45) day period, provide the Developer with a written statement setting forth in adequate detail in what respects the Developer has failed to meet the requirements of Section 8.3(b) above, and what measures or acts will be in necessary for the Developer to take or perform in order to obtain such certification.

Following receipt of such written statement, the Developer shall promptly carry out the corrective measures or acts described in the written statement, and a Certificate of Completion will be delivered to the Developer within thirty (30) days of the completion of the items by the Developer described in the written statement. In the event of any dispute between the City and the Developer with respect to the issuance of the Certificate of Completion, the Parties shall participate in the Dispute Resolution Procedure.

Section 8.4 Assignment

It is hereby agreed and stipulated that prior to the issuance of a Certificate of Completion, the Developer shall not, without the City's written permission, transfer or assign any of its rights or obligations under this Agreement with respect to the Property or the Project other than to an Affiliate, which Affiliate agrees in writing to the City to assume all of the obligations of the Developer under this Agreement. The Developer shall provide the City with prior written notice of its intent to make an assignment to an Affiliate and the name and address of such Affiliate, and upon such assignment, the Developer shall provide the City with the written agreement of the Affiliate to assume all of the obligations of this Agreement in such form as shall be reasonably acceptable to the City. Any assignment of any interest in this Agreement which is made in contravention of the provisions herein shall be considered an Event of Default entitling the City exercise any and all of the rights and remedies available to it, whether set forth herein or existing at law or in equity.

ARTICLE IX
OPERATIONS

Section 9.1 Real Property Taxes

(a) The Developer agrees for itself and its successors and assigns that, during the Term, and subject to any exemptions that may exist from time to time, the Developer and its successor or assigns will pay all real property taxes lawfully assessed against the Property and the improvements thereon for which the Developer or its successors or assigns hold legal title for the periods during which the Developer or its successor or assigns hold such legal title, as applicable

(b) Notwithstanding the foregoing, the parties agree that no provision of this Agreement shall be construed as waiving any right the Developer or its tenants or its successors or assigns may have to contest or appeal, in the manner provided by law, any assessment made by the City with respect to the Property and the improvements thereon, or to limit the Developer to apply for any additional tax benefit for which the Developer may be eligible.

Section 9.2 Management

(a) The Developer shall engage an expert professional, reasonably acceptable to the City, to develop management, security and design recommendations for the Project, and shall collaborate with the City as regards the implementation of recommendations, to the extent appropriate.

(b) During construction of the Project and thereafter in connection with the operation of the Project, the Developer shall provide a minimum of two (2) security personnel, both of whom shall be present on the grounds of the completed Project and on duty during all public-facing operational hours.

(c) Except as specifically provided for in Section 9.2(d) below, the Developer shall consolidate all methadone treatment services within New Haven at the Project, in such manner as shall not exceed the New Haven methadone program census of 1,350 as documented as of April 1, 2023. In particular (but without limitation), the Developer shall discontinue the provision of methadone services at the Developer's premises known as 495 & 517 Congress Avenue within thirty (30) days of receiving a certificate of occupancy with respect to the Project; and shall not introduce or otherwise make available methadone treatment services either in permanent or mobile locations in New Haven.

(d) Notwithstanding the provisions of Section 9.2(c) above, the Developer shall be permitted to operate a Mobile Opioid Treatment Program ("MOTP") within the City of New Haven, provided that any such MOTP shall comply in all material respects with the provision of the regulatory standards, now or hereafter existing, promulgated by the Connecticut State Opioid Treatment Authority and the Federal Substance Abuse and Mental Health Services Administration.

(e) The City shall facilitate conversations with key stakeholders, including the City's Board of Alders (the "Board of Alders"), appropriate elected and appointed officials of the State, and the Hill South Community Management Team. From these conversations, an advisory committee shall be formed which will include members of the House of Representatives and Senate of the General Assembly of the State of Connecticut who represent the Gateway District, as well as the New Haven Board of Alders for Ward 6.

Section 9.3 Bus Stop

To the extent requested, and to the extent reasonable (in the event of determined rejection), the City shall cooperate with the Developer in engaging with CTtransit in seeking the reactivation of the bus stop currently opposite the Property. However, the Developer hereby acknowledges and stipulates that CTtransit is an agency of the State of Connecticut so that the City does not have any authority over its decision-making process.

ARTICLE X
DEFAULT AND REMEDIES

Section 10.1 Default by the Developer

The occurrence of (i) an Event of Bankruptcy; (ii) any failure by the Developer to perform any obligation under this Agreement where such event or failure shall continue for more than thirty (30) days after receipt of a Default Notice and the Developer fails to provide a response to the Default Notice specifying the actions undertaken or to be undertaken to effect a cure within thirty (30) days after receipt of the Default Notice; or shall respond to the Default Notice but shall fail to effect the cure specified in such response; (iii) a failure to substantially complete the construction of any portion of the Project in accordance with the Project Schedule, excluding any period of Excusable Delay (and for any Mortgagee, any period when the Mortgagee is diligently and continuously working towards completion of the construction), and the failure to cure such default within ninety (90) days of receipt of a Default Notice; or
(iv) an assignment or transfer of the Property in violation of Section 8.4, shall be an Event of Default by the Developer

Section 10.2 Default by the City

The occurrence of (i) a failure by the City to deliver the Deed to the Developer when required to do so under the terms and conditions of this Agreement; or (ii) a failure of the City to perform any other covenant under the terms and conditions of this Agreement where such failure is not cured by the City within thirty (30) days of notice thereof from the Developer, or unless specifically provided otherwise in this Agreement, within such longer time as may be required to cure such failure, provided the City has commenced and is diligently pursuing such cure, shall be an Event of Default by the City.

Section 10.3 Remedies

(a) Except as otherwise provided by way of the Dispute Resolution Procedure described in this Section 10.3, the City and the Developer shall have all rights and remedies available at law and in equity following the occurrence of an Event of Default.

(b) Notwithstanding the provisions of Section 10.3(a) above, it is agreed and understood that the City and the Developer agree that they shall endeavor to resolve any dispute that may arise under this Agreement through the Dispute Resolution Procedure prior to filing suit in any court of competent jurisdiction. Either Party may initiate the Dispute Resolution Procedure by providing a notice of conflict to the other Party (a "Notice of Conflict") setting forth: (i) the subject of the dispute; (ii) the Party's position; and (iii) the relief requested. Within five (5) business days of delivery of the Notice of Conflict, the receiving Party shall respond in writing with a statement of its position. At the request of either the City or the Developer, the Parties, or their duly authorized representatives having full settlement authority (which authority of the City may be conditioned on the final approval by a separate committee charged with such authority) shall meet at a mutually acceptable time and place in the City within ten (10) days of the Notice of Conflict in order to attempt to negotiate in good faith a resolution to the dispute.

(c) If the dispute is not resolved by the Parties through the Dispute Resolution Procedure, then if agreed upon by the Parties, the dispute may be submitted to mediation under the Commercial or Construction Mediation Procedures of the AAA, whichever procedure is appropriate to the dispute among the Parties, in effect on the Effective Date of the Agreement, or under such other rules as the Parties may agree upon. Mediation shall be with the AAA, or, if agreed upon, through use of a private mediator chosen by the Parties to the mediation. The Parties to the mediation shall determine if they will be submitting the dispute to mediation within sixty (60) days following the conclusion of the Dispute Resolution Procedure and shall designate the mediator within this time period. Mediation shall occur in New Haven, Connecticut or as otherwise agreed upon. The mediator's fees and the filing fees, if any, shall be shared equally between the Developer and the City. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof. If the Parties agree to mediation, the conclusion of mediation proceedings shall be a condition precedent to litigation. The Parties shall conclude mediation proceedings within (60) days after the designation of the mediator.

(d) If the dispute is not resolved under Subsection (b) or (c) above, within sixty (60) days after the conclusion of either the Dispute Resolution Procedure and/or mediation, and by agreement of the Parties, the dispute may be referred for an advisory opinion to a neutral party who shall be retained by the Parties, and such neutral party shall establish such procedures as will allow him or her to promptly consider the dispute and issue a written advisory opinion with regard to the issues in dispute. Costs and fees for the neutral party shall be equally shared by the City and the Developer. Third parties relevant to the adjudication of the dispute may be added to the advisory opinion proceedings if agreed to by the City and the Developer. The Parties agree that the neutral party's advisory opinion shall not be admissible in subsequent litigation. If an advisory opinion is agreed upon as a procedure, it shall be a condition precedent to litigation.

(e) Provided the Party seeking use of the Dispute Resolution Procedure has complied with the requirements for giving the "Notice of Conflict", no passage of time or delay caused by pursuit of the Dispute Resolution Procedure, mediation or seeking an advisory opinion will prejudice the rights of any Party. At the request of either the City or the Developer, the Parties shall enter into an agreement to extend the statute of limitations with respect to the subject matter of the dispute for the period of time in which the procedures described above are being utilized. Although either the City or the Developer may commence litigation while the Dispute Resolution Procedure, mediation or an advisory opinion procedure is being pursued for tolling purposes only, such Party must request that the Court stay the case until such time as completion of such Dispute Resolution Procedure, mediation or advisory opinion procedure (as the case may be) has been completed.

(f) If the dispute is not resolved in accordance with the provisions of this Section 10.3, then subject to the provisions of Section 11.14 below, both the City and the Developer shall be entitled to seek all administrative and judicial remedies available, whether at law or in equity, including (without limitation) injunctive relief, damages, specific performance, attorney's fees if provided by statute, expenses and/or costs and any other rights or remedies whether such rights or remedies are specifically set forth herein.

No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default by the City for any amount which may become due to the Developer or to its successor or with respect to any other obligations arising under the terms and conditions of this Agreement.
