Please explain why you are interested in serving on this board/commission?	I am a resident of New Haven, I have lived in New Haven off and on for many years and used to work here. I have many friends who rescue animals in New Haven and I rescue animals all over New Haven county. It greatly affects me what happens to the animals in this city and this county as a resident, an animal shelter manager, a rescuer and a pet owner.
Why do you believe you are a good fit for this board/commission?	I currently run a 501 3 c (cat shelter) out of North Branford and attend monthly board of directors meetings so I know about budgets, grants, etc. I deal with state given vouchers for our TNR program and have a lot of resources for people who are dealing with hardships on a daily basis. I would love to be able to help more on a advocacy level to make a difference.

Do you have any time commitments that would prevent you from participating in the board/commission meetings?

I know I can make it work because it ties into my work, unless I have unforeseen emergencies.
