HAVEN AS A REHABILITATION AREA AND RENEWING AND AMENDING CRITERIA
FOR THE ELIGIBILITY OF REAL PROPERTY FOR ASSESSMENT DEFERRAL AND
ADMINISTRATIVE PROCEDURES

WHEREAS, the extensive rehabilitation or development of New Haven properties is critical to the needs of the City of New Haven as a means of improving New Haven's housing stock, increasing employment opportunities, and expanding New Haven's tax base; and

WHEREAS, the significant increases in property tax assessments brought about by extensive rehabilitation or development have been found to discourage this sorely needed investment in the City of New Haven; and

WHEREAS, on August 4, 1975, the Board of Aldermen passed a resolution in accordance with State statute to implement a limited assessment deferral program; and

WHEREAS, on October 5, 1981, the Board of Aldermen repealed and rescinded its resolution of August 4, 1975, and on December 7, 1981, passed a resolution designating the City of New Haven as a rehabilitation area, establishing criteria for the eligibility of real property within the designated rehabilitation area for fixing of assessments during the period of rehabilitation, and for deferral of increased assessments attributable to such rehabilitation (the "Resolution"); and

WHEREAS, the Resolution contained a termination date of January 1, 1985; and

WHEREAS, the Resolution was amended by the Board of Aldermen on December 3, 1984, to extend the termination date to January 1, 1989; and

WHEREAS, the Resolution was amended by the Board of Aldermen on December 19, 1988, to extend the termination date to January 1, 1992; and

WHEREAS, the Resolution expired on January 1, 1992; and

WHEREAS, the Board of Aldermen passed a new resolution similar to the Resolution on October 17, 1994; and

WHEREAS, that resolution expired on January 1, 2000; and

WHEREAS, the Board of Aldermen passed a new resolution similar to the Resolution on October 16, 2000; and

WHEREAS, that resolution expired on January 1, 2005; and

WHEREAS, in 2005, the Board of Aldermen passed a new resolution similar to the 2001 resolution which extended the termination date to January 1, 2010; and

WHEREAS, in 2010, the Board of Aldermen passed a new resolution similar to the 2005 resolution further designating the City of New Haven as a rehabilitation area and establishing criteria for the tax deferral program; and

WHEREAS, in 2014, the Board of Alders passed a new resolution similar to the 2010 resolution which extended the termination date to January 1, 2020; and

WHEREAS, that resolution expired on January 1, 2020; and

WHEREAS, in 2019, the Board of Alders passed a new resolution similar to the 2014 resolution, with some modifications, which extended the termination date to January 1, 2025, and

WHEREAS, in 2022 that resolution was modified to clarify that property owners can refinance properties enhanced with the Assessment Deferral Program and that, should a mortgagee to a property foreclose on a property enhanced with Assessment Deferral, that they can resell the property without losing the Assessment Deferral benefits, and

WHEREAS, the current resolution expires on January 1, 2025, and

WHEREAS, renewal of the city-wide assessment deferral program will continue to encourage the rehabilitation of aging or deteriorating structures, encourage the construction of new housing stock, and subject to the need for adjustments to the operation of the program as hereafter set forth, encourage the provision of affordable housing within the City of New Haven.

Upon termination of the period of such rehabilitation or construction, any increase in assessment attributable to such rehabilitation or construction shall be phased in as hereafter described, contingent upon the continued use of the property for the purposes specified in the Section VI Agreement providing such property continues to meet the eligibility criteria of this Resolution and provided further such deferral shall be determined as follows: For the first year following completion of such rehabilitation or construction, the entire increase shall be deferred; thereafter twenty percent (20%) of the increase shall be assessed against the property each year until one hundred percent (100%) of such increase has been so assessed.
