Re: Authorization for NovoaGlobal to Perform MVD/DMV Inquiry

Dear Mr. Minice:

Please accept this letter of acknowledgement that a contract to perform automated enforcement between New Haven Police Department and NovoaGlobal is in force. As a requirement of and in performance of that contract between New Haven Police Department and NovoaGlobal, it will be necessary for NovoaGlobal to access Nlets for motor vehicle data on our agency's behalf.

Please accept this letter as authorization from New Haven Police Department for NovoaGlobal to run motor vehicle inquiries for this purpose. This authorization will automatically expire upon the termination of the contract between New Haven Police Department and NovoaGlobal; and such authorization is limited to violations detected by the automated enforcement camera systems. By completing the information below and signing this letter, I am stating that I am a member of the New Haven Police Department and have the authority to empower NovoaGlobal to use ORI CT0009300 to authorize access to Nlets for this function.
