Why are you interested in serving on a Board or Commission?

I have lived in New Haven for several years and feel a strong sense of belonging and affection for this community. I am motivated to actively participate in its improvement by contributing ideas and collaborating on initiatives that benefit our city and its residents. I am always open to listening to the community's needs and concerns.

Why do you believe you would be a good fit for your selected Board and Commissions?

I have always been involved in serving the community. During my time at the university, I had the opportunity to serve as president, which allowed me to engage with diverse groups of students. I worked on organizing programs and events, I worked to maintain an inclusive environment. This experience increased my understanding of community needs and strengthened my dedication to addressing them. I firmly believe I can be a voice for those who may not have the opportunity to express themselves.

Do you have any time commitments that would prevent you from participating in the board/commission meetings?
