I have worked for more than 25 years in political and municipal settings in Connecticut and have a track record of developing policy, high-level negotiations, and relationship Building. At McCarter, I advise clients from a wide range of industries on the full spectrum of government affairs matters. Before joining McCarter, I served as the Chief of Staff for Connecticut's Senate Democrats and worked closely with senators from both political parties to design and implement public policy. I also collaborated with the state's regulatory agencies and municipalities to ensure the efficient and effective implementation of state policy.

Why are you interested in serving on a board or commission?

As a lifelong New Haven resident and a dedicated belief in public service it would be an honor and privilege to once again be part of the New Haven Fire department board of fire commissioners if I am nominated by the mayor and approved by the Board of Alders.

Why do you believe you would be a good fit for your selected board and commission(s)?

I have spent my entire life in the City of New Haven. Over the years, I have been privileged to serve on a number of boards and commissions, including the Civil Service Commission, the New Haven Board of Alders, and the Fire Commission. I believe that my return to the Fire Commission would bring a meaningful degree of institutional history, precedent, and stability to the board. The New Haven Fire Department is among the preeminent fire departments in the State of Connecticut, and I hope to continue offering guidance that preserves and strengthens the sterling reputation of its fire service.

Do you have any time commitments that would prevent you from participating in board/commission meetings? Meeting times can be found by visiting newhavenct.gov/boards, but most are usually once a month for 1-2 hours.
