I want to serve on the New Haven Disability Commission because I believe our city should be a place where people of all abilities can participate fully and equally. As a disabled member of this community, I know firsthand how public spaces, systems, and services can either open doors or create barriers. My own experiences navigating those barriers—and advocating for change—have shown me the value of having people with lived experience at the table when decisions are made. I bring both personal insight and a commitment to finding practical, collaborative solutions. This role would give me the opportunity to help ensure that accessibility is considered from the start in city planning and policy, not added as an afterthought. I want to work toward a New Haven where inclusion is built into everything we do, and where people with disabilities can thrive, lead, and feel fully at home.

Why are you interested in serving on a board or commission?

I'm interested in serving because I believe the Disability Commission plays an important role in making sure New Haven is inclusive for everyone. As someone who lives with a disability, I see where things work well and where changes are needed. I want to help make those changes happen by sharing my perspective and working with others who care about accessibility and equity.

# Why do you believe you would be a good fit for your selected board and commission(s)?

I would be a good fit because I bring both lived experience and a solutions-focused mindset. I understand the challenges that can arise when accessibility is overlooked, and I know how to help find ways forward that work for everyone. I'm used to listening to different perspectives, working as part of a team, and turning ideas into action. I care deeply about making New Haven a place where people with disabilities can fully participate in all parts of life.

Do you have any time commitments that would prevent you from participating in board/commission meetings? Meeting times can be found by visiting newhavenct.gov/boards, but most are usually once a month for 1-2 hours.
