Why are you interested in serving on a board or commission?

It is very important to me to serve the community I live in.

Why do you believe you would be a good fit for your selected board and commission(s)?

I believe I am still a good fit for the municipal library board because I feel I am able to support the mission of the New Haven Free Public Library as it serves the residents of the City of New Haven. The mission is one of inclusion, education, information, community and innovation. These are all values I consistently also hold dearly. Besides sitting on the municipal board, I also have provided support by sitting on the Mardi Gras gala committee and the naming subcommittee. Further, I have worked in my capacity as UConn Certified Master Gardener and now as Master Gardener Coordinator to support more robust resources for Ask A Gardener program in at least one library branch.

Do you have any time commitments that would prevent you from participating in board/commission meetings? Meeting times can be found by visiting newhavenct.gov/boards, but most are usually once a month for 1-2 hours.

No other time commitments.
