

**PETITION TO NAME THE CORNER OF BISHOP STREET AND STATE STREET TO  
BE CALLED "BOB FREW CORNER"**

<p><b>Petition Summary and Background</b></p>	<p>We respectfully request that the corner of Bishop Street and State Street be called "Bob Frew Corner" to honor Bob Frew's inspiring legacy. He was known for his years of dedicated service in the New Haven community — including leading a renaissance of State Street, being President of Habitat for Humanity in Greater New Haven, igniting the Schooner program, and serving on the Board of Alders. In addition, Bob Frew was a renowned architect who taught at the Yale School of Architecture and was known for making significant contributions to the early developments of Computer Aided Design (CAD). He was also a Co-Founder of the Computer Science Department at Southern Connecticut State University. Born in Scotland, he was one of the founding members of the New Haven Branch of Royal Country Scottish Dancers. As a tribute to his years of dedicated service, we, the undersigned, propose to name the corner of Bishop and State Street as "Bob Frew Corner."</p>
<p><b>Action Petitioned For</b></p>	<p>We, the undersigned residents, urge leaders to designate the corner of Bishop Street and State Street as "<b>Bob Frew Corner</b>" in perpetuity, making his legacy in New Haven's community stand as an official and permanent reminder of integrity, generosity, and creativity.</p>

**PETITION TO NAME THE CORNER OF BISHOP STREET AND STATE STREET TO BE CALLED "BOB FREW CORNER"**

<p><b>Petition Summary and Background</b></p>	<p>We respectfully request that the corner of Bishop Street and State Street be called "Bob Frew Corner" to honor Bob Frew's inspiring legacy. He was known for his years of dedicated service in the New Haven community — including leading a renaissance of State Street, being President of Habitat for Humanity in Greater New Haven, igniting the Schooner program, and serving on the Board of Alders. In addition, Bob Frew was a renowned architect who taught at the Yale School of Architecture and was known for making significant contributions to the early developments of Computer Aided Design (CAD). He was also a Co-Founder of the Computer Science Department at Southern Connecticut State University. Born in Scotland, he was one of the founding members of the New Haven Branch of Royal Country Scottish Dancers. As a tribute to his years of dedicated service, we, the undersigned, propose to name the corner of Bishop and State Street as "Bob Frew Corner."</p>
<p><b>Action Petitioned For</b></p>	<p>We, the undersigned residents, urge leaders to designate the corner of Bishop Street and State Street as "<b>Bob Frew Corner</b>" in perpetuity, making his legacy in New Haven's community stand as an official and permanent reminder of integrity, generosity, and creativity.</p>
