Honorable Tyisha Walker-Myers
President, Board of Alders
City of New Haven

New Haven, CT 06510

Dear Honorable Walker-Myers,

In accordance with the Order of the Board of Alders authorizing the Mayor to apply for and accept all grants on behalf of the City of New Haven, passed October 17, 1994, I am respectfully writing to advise the Honorable Board of an application by the City of New Haven's Department of Police Service to the Connecticut Department of Transportation for a grant to reimburse the department for police overtime to support roving patrols to help increase the presence of patrols in areas of the city where speed and aggressive driving is most prevalent. The aim of the program is to help reduce the number of motor vehicle injuries and fatalities during at the most troublesome locations throughout the city.

Under this grant, we will be reimbursed for police overtime costs through Federal Highway Safety Program funds for roving patrols in locations where crashes are most likely to happen. We will request up to \$31,790.08 in reimbursements from state funds for overtime. We request unanimous consent as we have received this in previous years, the difference being the exact dates of the details.

Thank you for your consideration in this matter. Please contact me at (203) 946-6333 with any questions you may have.

Sincerely,
