- How to read the new grant revenue exhibit (letters refer to column letters on the prior page):
 - A The total amount we were awarded for the grant in 2022-23
 - B Because of Covid-19, we are permitted to roll over unexpended money in some grants in 2023-24. It 'carries over' to the next fiscal year.
 - C This is new funding we were awarded in 2023-24
 - D Funding we haven't received yet, but expect to receive.
 - E C+D. The total new money we'll receive for the grant this year.
 - F B+E. The sum of the carryover funds and the new money. This is what's available to spend in 2023-24.
 - GE-A. This measures the change in new money only, and excludes the effect of the carryover.
 - HG/A. Calculates, on a percentage basis, the change in the new money year over year.

SUMMARY OF GRANTS ACCEPTED BY THE CITY

FISCAL YEAR 2023-24

April

Name of Grant	Granting Agency	Amount	City Department	Date Signed	Description of Grant
STD\TB Grant	CT Department of Public Health	\$ 93,689	Health	2/1/2024	The City of New Haven provides services that are intended to reduce the incidence of Sexually Transmitted Diseases (STD) and Tuberculosis (TB) in Connecticut through the provision of STD and TB prevention, screening and treatment services to populations at high risk of acquiring these infectious diseases.
Safe Streets and Roads for All	U.S. Department of Transportation Federal Highway Administration	\$ 400,000	TT & P	2/8/2023	Planning and Demonstration Grants provide Federal funds to do three types of activities: 1. Develop a comprehensive safety action plan (referred to as an "Action Plan") 2. Conduct supplemental safety planning to complete or enhance an Action Plan 3. Carry out demonstration activities to inform the development of, or an update to, an Action Plan
Specialty Crop Block Grant (SCBG)	CT Department of Agriculture	\$ 64,900	CSA	7/1/2023	The FSPD would like to better use its close community partnerships and in-house expertise to support local food systems and urban growing in each neighborhood. For example, the FSPD would be able to address specialty crop access and competitiveness by engaging with local partners to provide an urban agricultural education workshop series in parallel with and complementary to the FSPD's development of New Haven's first Urban Agriculture Master Plan. Also, in collaboration with local organizational and business stakeholders the FSPD will connect with both emerging and established food entrepreneurs and culinarians to engage them in (hyper)local urban agricultural efforts. Moreover, in order to better support urban growers - especially Black, Brown, low-income, new, beginning, and otherwise socially disadvantaged farmers - to start or further expand their pursuit of urban specialty crop cultivation, the FSPD, in partnership neighborhood residents and other City agencies such as the public library system, will establish community-led, publicly accessible seed libraries of culturally-relevant crops throughout New Haven.

Special Fund Expenditure and Revenue Projection Explanation

Please note that the Special Fund expenditure and revenue projections contained in this report are estimates based upon preliminary information received by City Departments from potential Granting Agencies. Budgets reported for Fiscal Year 2022-2024 may reflect anticipated new awards that have not yet been approved by the funding agency or Board of Alders. Funding will become available for use only after awards have been approved for acceptance by the Board of Alders and after grant agreements have been executed. Once all approvals are in place, the budgets will be entered on the City's financial accounting system, MUNIS.

Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are currently projected.

Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multi-year awards will be made available in the following fiscal year or until the grant period has ended.
