**If not submitting a Resume or CV, please submit a ~150 word Statement of Interest as to why you are interested in serving on the selected Boards/Commissions. If you have uploaded a resume, you can write n/a.**

Now that I have time to do other things than work, I would like to do more in the city. I have been following some of the recent developments in the Mill River District, the Connecting Neighborhoods initiative to revitalize the parts of the city around 91, and also the plans for redoing the Green. I find this all very exciting and would like to be a part of these and other projects. Alder Smith suggested that this might be a good place to start.

**Are you currently employed by the City of New Haven or the New Haven Public School System?**

Yes  No

**Why are you interested in serving on a Board or Commission?**

See above

**Why do you believe you would be a good fit for your selected Board and Commissions?**

I have time, enthusiasm, a good knowledge of the City, and I am used to working my butt off on projects that I am involved in. I have had a lot of experience in the past working with committees and boards and in my work I have had to develop strong communication and people skills. I do not have any professional expertise in development but I have people I can call on who do. Since all that might not be enough to get me the job, let me say I am happy to cook for the meetings.

**Do you have any time commitments that would prevent you from participating in the board/commission meetings?**

None
