Since 1989, CITYarts engages youth with professional artists in the creation of public art, including murals and mosaics. Through this creative process, CITYarts empowers, educates, and connects youth and children locally and around the world to become active participants in realizing their potential and transforming communities.

Dear Maria,

This letter is to confirm that production of the CITYarts *Peace Wall* mural will not interfere with any planned repairs or other needs the library may have. The mural will be painted by professional artists who will lead community youth through the creative process. The main goal of this project is to have young people positively impact the community they live in. This public art mural project will represent the state of Connecticut in CITYarts' *50 States of Peace* initiative. In case of any repairs needed to be made on the wall, CITYarts promises to pay and make the restoration on the wall.

We would like to start the process as soon as possible. Thank you for your dedication to the community.

Thank you for your consideration,

Tsipi Ben-Haim  
Founder, Executive and Creative Director
