Charles E. Warner Jr.

I am an educational leader who works to facilitate and support students of all ages in developing socially, emotionally, and academically. I am committed to guiding students to become productive citizens, seekers of knowledge, and ethical leaders, people who act locally and think globally.

Skills

- I possess the unique ability to connect with young people, without compromising my authority or professionalism.
- I am skilled at creating and maintaining an environment of structure/safety, conducive to a learning environment.
- I have mastered working collaboratively with the administration, parents, and other school stakeholders.
- I am highly skilled in public speaking, and effective verbal and written communication.
- I have a talent for devising strategies for sudden problem solving, while maintaining a calm, orderly environment.

Experience

2019-PRESENT

District Behavior Specialist/ New Haven Public School System

I PROVIDE SCHOOLS AND INDIVIDUAL STUDENTS WITH SUPPORTS FOR IMPROVING STUDENT BEHAVIOR, ULTIMATELY LEADING TO STUDENT ACADEMIC SUCCESS AND AN IMPROVED SCHOOL CLIMATE. I ASSESS STUDENTS AND ENVIRONMENTS THROUGH CLASSROOM OBSERVATIONS, DIRECT STUDENT INTERVENTION, CONFERRING WITH VARIOUS SCHOOL TEAMS/OUTSIDE AGENCIES AND OTHER STAKEHOLDERS. I DESIGN AND COORDINATE INDIVIDUALIZED BEHAVIOR PLANS FOR STUDENTS WHO HAVE BEEN IDENTIFIED AND ADVISE TEACHERS AND ADMINISTRATORS ON BEST PRACTICES FOR IMPLEMENTATION.

2011 – 2019

Administrative/Student Support / Barack Obama Magnet School/Strong School

My responsibilities are to support the two Principals in a myriad of ways, including: supervise students throughout the school; manage lunch waves; help coordinate student bus dismissal; support/monitor the activity and progress of students with behavioral challenges; work cooperatively with teachers, students and parents to foster student success; act as a resource for teachers to support students having social/emotional trouble, both in and out of the classroom; academic support/SBAC tutoring for

3rd and 4th graders; manage the school reflection room (“in-school suspension”), tutor students in the Afterschool Program.

2008 – 2011

Para-professional (K) / Strong School

I assisted in the supervision and instruction of kindergarten students. I was primarily responsible for working with low performing students, teaching and reinforcing key skills. I was successful in guiding students in individual growth, and reaching the status of goal, through focused, small group intervention.

2007—2008

Special Ed. Para-professional (1-on-1)/ Timothy Dwight School

For one school year, I worked solely with a 1st grade student with a wide range of intellectual, and behavioral challenges. After intervening in an emergency situation, involving the student, I was reassigned by the district Special Supervisor, to work as the student’s “one-on-one”. I was able to provide stability, and order, not only for the student, but the entire school. My direct supervision and efforts with the student, led to the elimination of the student eloping from the school, 911 calls, or violent behavior. The student was also able to make academic gains, improve socially with peers, and acclimate to the school environment in general.

2009, 2010

Mandatory Summer High School Teacher/ New Haven Public Schools

I was responsible for the supervision and instruction of 12th grade students, who were working to earn credits for graduation. Although the subject I taught was Typing, I used an interdisciplinary approach to teach the required skills. College preparation and goal setting, were themes I centered the curriculum around. The students successfully earned their credits. They were also exposed to the various options in higher education, and other topics germane to graduating high school students.

2013-2017

Program Director/ Dixwell Summer Stream Program

The DSSP was a program designed to educate students in the 3rd-8th grades in the STREAM fields of study. The program served to heighten self-esteem, expose students culturally, enrich intellectual/academic growth, and ultimately interrupt the “school to prison pipeline”. The program was funded through a grant awarded by the CT Legislature. As Program Director for the DSSP, I directed the daily activities of the afterschool program. My responsibilities included: direction of the staff, supervision of the students, payroll, and management of the building. As the founding Program Director, I was instrumental in establishing the program activities and designing the curriculum.

2019 and 2020

Director, ALM Sports Camp/ Hamden, CT

Directing the ALM Sports Camp provided me the opportunity to work with close to 100 local youth. The program which was sports themed, served to teach young people ages 5-13, the positive lessons and practices associated with being a top athlete, and dedicated team member. My duties included facilities management, supervision of the health and safety of all campers, procuring materials, parent relations, overseeing site finances, payroll, planning weekly trips, transportation, supervising staff, managing participant behavior, and coordinating with the corporate office. ALM Sports is comprised of over 26 sports camps throughout the country. Leading this organization required holding a State of Connecticut Camp Director's License through the Connecticut Office of Early Childhood Education.
