Honorable Tyisha Walker-Myers
President of the Board of Alders
165 Church Street
New Haven, CT 06510

Dear President Walker-Myers,

The Town Green District anticipates holding the New Haven Night Market – 9th Square Neighborhood on May 16th with a rain date of May 17th and an additional rain date of May 23rd. The Night Market expects high pedestrian traffic, with vendors staged on Orange Street from Court Street to George Street. The Town Green District is requesting the closure of Orange Street between Chapel Street and George Street and the closure of Crown Street between State Street and Church Street. Additionally, the closure of Orange Street between Court Street and Chapel Street is requested. To ensure pedestrian safety, the Town Green District shall request the presence of a Crossing Guard or Police Officer at the intersection of Orange Street and Chapel Street. The timing of these closures will vary based upon setup needs but will work to maintain local access to garages and key locations until the start of the pedestrian traffic at 4pm.

The application requires full Board of Alder approval for this closure, and I therefore request your consideration of the request.

Very truly yours,

Rebecca Bombero
Deputy Chief Administrative Officer
