**Re:** Resolution authorizing the Mayor to accept funding from the Department of Energy and Environmental Protection (CTDEEP) for the improvements to Edgewood Park under the American Rescue Plan Act (ARPA)

Dear Honorable Tyisha Walker Myers:

As part of the State of Connecticut's American Rescue Plan Act authorizations, the State Legislature designated \$800,000 in funding to be available for improvements in Edgewood Park. These funds will be utilized to improve the park, its amenities, and fields, in a manner consistent with the guidelines of the ARPA. Please note these funds are not from the City's ARPA allocations.

Therefore, I write to respectfully request the Honorable Board of Alders to authorize the Mayor to accept the funding offered by the CT Department of Energy and Environmental Protection.

Thank you for your consideration of this matter. If you have any questions, please feel free to contact me at 203-946-8105.

Respectfully submitted,

Giovanni Zinn, PE  
City Engineer
