Honorable Tyisha Walker-Myers  
President, New Haven Board of Alders

Dear President Myers:

I would like to respectfully submit to the Board of Alders, the attached communication titled: [A Zoning Amendment of the New Haven Board Alders Amending and Restating the Provisions of Section 60.1 – Exterior Lighting.](#)

The City of New Haven has experienced an emergence of new outdoor lighting that warrants new categorization and regulation. The unique nature of this lighting has created quality of life concerns for residents and businesses in New Haven neighborhoods.

Therefore, I ask that you please support the attached proposed ordinance amendment which would enable the city to address this issue as stated above. Thank you for your consideration of this measure.

Respectfully submitted,

***Hon. Richard Furlow***
