SPECIAL FUND EXPENDITURE AND REVENUE PROJECTION **EXPLANATION**

Please note that expenditure and revenue projections contained in this report are estimates based upon information currently available.

The Agencies listed below have significant budget variances that we feel warrant an explanation.

Surplus Explanation

If a large surplus exists in a special fund, it is usually the result of a multi-year award. Multi year awards are based on the completion of a project or the period of time approved for the operation of a particular program rather than the City's fiscal year.

There is also a coordinated awareness program with Yale New Haven Hospital Injury Prevention for flyers that have been distributed at designated checkpoints. The Department will be reimbursed for police overtime costs at a 75% rate up to \$203,000 for extra enforcement and sobriety checkpoints on weekends, holidays, and for special events through September 2015.
