Why are you interested in serving on a board or commission?

I have been thrilled to serve as the chair for the New Haven Port Authority Board of Commissioners. It's been an honor to get to shape the direction of the Port, work with the city, and have opportunities to address the needs of my neighbors.

Why do you believe you would be a good fit for your selected board and commission(s)?

I believe I have served effectively over the last three years and look forward to continuing my service. In particular, I have led our board through a robust strategic planning process, have helped expand the property owned by the Port Authority, and have deepened our relationships with the city and the port operators. The next three years will be integral as we put our strategic plan into practice and navigate periods of succession and change. I look forward to leading the Board through this period and putting it on firm footing for its next era.

Do you have any time commitments that would prevent you from participating in board/commission meetings? Meeting times can be found by visiting newhavenct.gov/boards, but most are usually once a month for 1-2 hours.
