**SUMMARY OF GRANTS ACCEPTED BY THE CITY
FISCAL YEAR 2024-25
July 2024**

Name of Grant	Granting Agency	Amount	City Department	Date Signed	Description of Grant
Environmental Justice Government to Government	US EPA	\$ 1,000,000	Climate and Sustainability	6/20/2024	Residents of EPA qualified census tracts will be eligible to receive the electrification upgrades paid for through the grant program, regardless of income. The eligibility criteria are subject to change upon consultation with EPA.

Special Fund Expenditure and Revenue Projection Explanation

Please note that the Special Fund expenditure and revenue projections contained in this report are estimates based upon preliminary information received by City Departments from potential Granting Agencies. Budgets reported for Fiscal Year 2024-2025 may reflect anticipated new awards that have not yet been approved by the funding agency or Board of Alders. Funding will become available for use only after awards have been approved for acceptance by the Board of Alders and after grant agreements have been executed. Once all approvals are in place, the budgets will be entered on the City's financial accounting system, MUNIS.

Deficit Explanation

The Agencies listed below have significant budget variances that we feel warrant an explanation.

- No deficits are currently projected.

Surplus Explanation

- If a large surplus exists in a special fund, it is usually the result of a multi-year award that is partially complete. Multi year awards are based on the completion of a project or for the operation of a particular program that extends beyond the City's fiscal year. Any remaining balances for multi-year awards will be made available in the following fiscal year or until the grant period has ended.
