Good morning honorable alders, I am writing in support of Mr. Matt Wilcox reappointment as a member to the New Haven Board of Education. Mr. Wilcox is a hardworking member of the board who not only represent the interest of constituents but also has deep consideration for the well being of students and staff. His commitment is commendable and I know that he continues to provide the support the board needs to function on behalf of the City and it's constituents. As a fairly new appointee, I myself have been able to understand our work better due to his support. Additionally, Mr. Wilcox is a voice of calm and reason in our board and we certainly can continue to benefit of this resource. Thanks for your time and consideration of my request. Hoping for a blessed day for all of you and thankful for your service to our city.
