Being apart of the PARKS and Recreation team , To be representing our communities citywide, Parks and free green spaces,for all to enjoy!!! No exclusions,no member's only ,just exceptance for all...I believe on this board I am a asset joining with other board members seasoned (to guide and teach) and newly appointed members to (respect and learn . This portion of our city governance....i am confident in my ability to give my best ,but to be a good voice for this city of New Haven ,especialy now in time were we are losing our humanity,our love of each of our differences When a society falls the arts the music,and the free outside spaces are usually the first that hose under siege ...we as a board ,as a community as a city will fight a good fight ...
