

Petition requesting to permanently designate the corner of Edward B. Grant Way to Charles "Charlie" Arcangelo

Petition Summary: We, the undersigned New Haven residents, support designating the Edward B. Grant Way as "Charles "Charlie" Arcangelo Corner". Under city ordinance, 250 city residents, with at least two-thirds from the affected neighborhood, must sign a petition in favor of the corner naming. We respectfully request that the Board of Alders name this corner after Charlie Arcangelo, who sadly passed away on March 15, 2021. Charlie was the founder and owner of Chuck and Eddie's, located on Middletown Avenue. For over 30 years Charlie was active in the community donating turkeys for turkey drives, toys during the holidays and selfless in the community. Charlie was not only dedicated to the community but to his family that he adored. It is fitting that the corner be named in his honor as a reminder of his contributions.

Under city ordinance, 250 city residents, with at least two-thirds from the affected neighborhood, must sign a petition in favor of the corner naming. We respectfully request that the Board of Alders name this corner after Charlie Arcangelo, who sadly passed away on March 15, 2021. Charlie was the founder and owner of Chuck and Eddie's, located on Middletown Avenue. For over 30 years Charlie was active in the community donating turkeys for turkey drives, toys during the holidays and selfless in the community. Charlie was not only dedicated to the community but to his family that he adored. It is fitting that the corner be named in his honor as a reminder of his contributions.
